getting students engaged and involved

Collaboration and Study Spaces on Campus

- Outside of classrooms and residence halls, designated locations on campus provide students with **safe places to study, participate in classes remotely, and meet in small groups**. Northeastern's health and safety guidelines apply in these spaces, including mask wearing and healthy distancing from others.
- The types of spaces include **private individual space, quiet study space, and group collaboration space**.
- **Website** - nuflex.northeastern.edu/study-spaces

Marino Recreation Center and Squashbusters Center

- Using the **Atleto App** reserve access to particular zones in both centers with access to a variety of **strength** and **cardio** workout equipment.
- **In-person and virtual fitness classes available**, including live and recorded options.
- **Website** - northeastern.edu/campusrec

Student Involvement

- Get **involved** and get **connected** in a wide variety of ways.
- Find or start a **club** or **organization** that's right for you.
- Attend an **event**.
