THE EUGENIC RUBICON BY JACQUELINE WERNIMONT, NATALIE LIRA, AND ALEX...

## The Eugenic Rubicon: California's Sterilization Stories

Begin with "Introduction"

A collage of black and white portraits of people, likely related to the article's subject matter.

Women Writers in Context

### Women, Mathematics, and the Periodical Tradition in Britain: or a History of Women Rocking Math from the Beginning

Jacqueline D. Wernimont  
December, 2016

This article discusses *The Ladies' Diary*, the first mathematical periodical published in Great Britain. Designed explicitly for women and comprising texts in a range of genres—half of which were contributed by readers—the *Diary* reminds us that women's periodicals were central to advancing early modern modes of knowledge production, pleasure, and civic engagement.

Topics  
reading  
reception

A classical painting depicting a woman, possibly a deity or allegorical figure, surrounded by children and other figures, symbolizing knowledge and education.
