### Ongoing Research:

**Books**

1. *Qur'anic Reason*. This book will examine all the ways that the Qur'an employs – logical and rhetorical – to reason with Muslims, Peoples of the Book, Satan and the Angels. I have already completed three chapters and I expect to substantial work on this book during this summer.

2. *Ash'ar from Ghalib*. Also looking for a publisher for these translations from Ghalib.

3. *The Middle East: Ecology, Economy, Society, and History*. This small book of some 100 pages will seek to explain the historical patterns in the history of Middle Eastern societies, primarily since the rise of Islam, in terms of its ecology and geography.

4. *Yardstick of Life and Other Poems* (manuscript: looking for publishers).

**Articles: Under Submission**

“Breaking the Golden Handcuffs: Recreating Markets for tenured Faculty.” Submitted to *Journal of Economic Issues* (October 13, 2019)

**Ongoing Research**

1. Economics Beyond Economizing: Limitations of Neoclassical Economics (Draft in preparation).
2. A Primer on Empire (First draft).
3. Just Wars Versus Terrorism (First draft)
4. War Against Global Terrorism (First draft)
5. Occupational Freedom: A comparison of Wage-Workers and Slaves (First draft)
6. Workplace Freedom: A comparison of Wage-Workers and Slaves (First draft)
