BOOKS:

System From Hell: Problem Definition and the Literary Construction of Failure in Our Nation's Public Policy and Social Institutions. Building on the rhetorical framework of "problem definition" as set out in my 1994 edited volume, *The Politics of Problem Definition*, with Roger W. Cobb, this book analyzes contemporary realist fiction on social problems as a form of political argument concerning systemic failure in health care, mental health care, poverty, criminal justice, and other policy domains.
