

CURRICULUM VITAE

A

Richard G. Wamai, Ph.D.

Associate professor: **Northeastern University**, Department of Cultures, Societies and Global Studies | Integrated Initiative in Global Health | Center for Health Policy and Law

Address: 360 Huntington Avenue, 220C Renaissance Park, Boston, MA 02115. Tel: +1-617-373-4130 (cell: +1-617-821-0916). Fax: 617-373-2625. Email: r.wamai@neu.edu

A: Education

INSTITUTION AND LOCATION	DEGREE	YEAR(S)	FIELD OF STUDY
Harvard University School of Public Health	Post doc	2006-2008	Global Health
University of Oxford, UK	Post doc	07/2005	Social Policy
University of Helsinki, Finland	Ph.D.	09/2004	Health Policy
University of Helsinki, Finland	Ms.Soc.	04/2000	Social Policy
Egerton University, Kenya	B.A.	11/1994	Sociology/Philosophy

B: Employment History

2016-present: **Associate Professor**, Department of Cultures, Societies and Global Studies, Northeastern University

2021- present: **Adjunct Research Professor**, Nigerian Institute of Medical Research, Federal Ministry of Health, Lagos Nigeria

2010-2015: **Assistant Professor**, Department of African American Studies, Northeastern

2009-2010: **Visiting Lecturer**, Department of African American Studies, Northeastern

2009-2010: **Consultant**, Graduate Global Studies Programs. Northeastern University College of Professional Studies

2008-2009: **Visiting Assistant Professor**, Department of African American Studies, Northeastern

2007-2010: **Teaching Assistant**, Department of African and African American Studies, Harvard University

2006-2008: **Research Fellow**, Takemi Program in International Health, Department of Global Health and Population, Harvard School of Public Health

2007: **Lecturer**, Roxbury Community College

2005-2006: **Researcher and Tutor**, Department of Social Policy and Social Work, Oxford University, UK

2004-2005: **Research Director**, Kampus Ltd. (Campus Consortium, Ministry for Foreign Affairs of Finland)

2000-2005: **Lecture/Researcher**, Department of Social Policy, University of Helsinki, Finland [Finnish Post-Graduate School of Social Sciences (SOVAKO), Finland]

2003: **Visiting Researcher**, London School of Economics, Center for Civil Society, UK

2002-2003: **Research team leader**, Service Center for Development Cooperation (KEPA), Finland.

2002-2003: **Research team leader**, Institute of Development Studies, University of Helsinki (Ministry for Foreign Affairs of Finland)

2003,2001: **Visiting Researcher**, Nordic Africa Institute (NAI), Uppsala Sweden (March, July)

2001-2002: **Research Fellow/ Lecturer**, Center for Civil Society Studies, Institute for Policy Studies and Center for International Emergency, Disaster and Refugee Studies (CIEDRS), Bloomberg School of Public Health, Johns Hopkins University

2000: **Trainee**, the World Bank Institute; Core Training: “Protecting the Vulnerable: Design and Implementation of Effective Social Safety Nets” (Washington D.C., Dec 4-15 2000)

C: Scholarship/Research

PUBLICATIONS [*student co-author(s)]

Refereed Journal Articles

Manuscripts in progress

1. Wamai RG. Transitions of health in remote areas in sub-Saharan Africa (book chapter in progress)
2. Thapa BB*, Rahman M, Steingrimsson J, Were LPO, Wamai RG, Genberg B, Galarraga O. Do targeted intergovernmental fiscal transfers improve health outcomes? evidence from Kenyan decentralization (in progress)
3. Grifferty G*, Shirley H*, Hirsch J*, O'Brien K*, Link A, Wamai RG. Scoping review of the leishmaniasis in Kenya (in progress, target journal *PLoS NTDs*)
4. Kitondo M, Nyakundi H, Ayieko W, Grifferty G*, Wang'ombe JK, Wamai RG. Cutaneous leishmaniasis in Kenya: A study of knowledge, attitudes, and practices in two focal sub-counties (Gilgil, in Nakuru county and Kipiriri, in Nyandarua county) (in progress, target journal *J Community Health*)
5. Wamai RG, Hirsch J. HIV elimination: the possibilities (under submission, *IJERPH*)
6. Matundura I, Chebet E, Nyakundi H, Tweya H, Kizito W, Kirui N, Bore W, Rono L, Misiani D, Ngari C, Wamai RG. Clinical characteristics, management and treatment outcome among snakebite patients in Baringo Kenya (in progress, target journal *PLoS NTDs*)
7. Wamai RG, Okunga E, Achoki T, Were LPO. Mortality in Kenya during COVID-19 pandemic (in progress)
8. Okunga E, Kingwara L, Wamai RG, Achoki T, Were LPO, The burden of disease and injury in Kenya (in progress)
9. Were LPO, Omondi G, Omwanda W, Gwaro H, Okoth V, Moon T, Wamai RG. The COVID-19 pandemic and outcomes along the HIV care cascade: initiation and retention in care among cohorts of HIV+ persons in western Kenya (in progress)
10. Schnure M*, Kasaie P, Wamai RG. Modeling study on HIV/NCD service delivery integration in Kenya (in progress)
11. Jones C, Inam M, Effiong D, Wamai RG, Kayoll G. Engaging black immigrant women into research on cervical cancer prevention: a study protocol (in progress)
12. Wamai RG (overall lead in multi-team) Supplement Proposal: *BMC Public Health* – Special issue from Lwala Household Survey (LHS) in Migori County, Kenya (15 articles)

Manuscripts under review

1. GBD 2019 Cancer Risk Factors Collaborators. The global burden of cancer attributable to risk factors, 2010–2019: a systematic analysis for the Global Burden of Disease Study 2019. *LANCET-D-22-00233*
2. Local Burden of Disease HIV Collaborators. Mapping age- and sex-specific HIV prevalence in adults in sub-Saharan Africa, 2000–2018. *BMC Medicine* (under review)
3. Achoki T, Were LPO*, Alam U, Lesego A, Wamai RG, Oanda T, Obiero W, Kinfu Y. Technical efficiency and spatial interdependence in health service production in Kenya: subnational analysis for 47 county governments. *Lancet Global Health* (under review).
4. Hendricks H, Omwanda W, Rogers A, Omondi G, Gwaro H, Okoth V, Onyango MA, Were LPO*, Wamai RG, Moon TD. Maintaining access to well-child care during the COVID-19 pandemic in Migori County, Kenya. *Bulletin of the World Health Organization* (under review)

5. LBD Triple Burden Collaborators. The overlapping burden of the three leading causes of disability and death in sub-Saharan African children. *Nature Communications* (under review)

Published/accepted[†] manuscripts

2022[†]

1. Van Damme W, **Wamai RG**, Assefa Y, Liesenborghs L, Mumba D. COVID in SSA. *Lancet* (under submission)
2. Shirley H*, Grifferty G*, Yates EF, Raykar N, **Wamai RG**, McClain CD. The connection between climate change, surgical care, and neglected tropical diseases. *Annals of Global Health* (under review)
3. GBD 2019 Diabetes Mortality Collaborators. Diabetes mortality and trends before 25 years of age: an analysis of the Global Burden of Disease Study 2019 [published online ahead of print, 2022 Feb 7]. *Lancet Diabetes Endocrinol.* 2022;S2213-8587(21)00349-1. doi:10.1016/S2213-8587(21)00349-1
4. Shirley H*, **Wamai RG**. A narrative review of Kenya's surgical capacity using the Lancet Commission on Global Surgery's indicator framework. *Global Health: Science and Practice.* 2022;10(1):e2100500.
5. **Wamai RG**, Hugh S*. The future of health in sub-Saharan Africa: is there a path to longer and healthier lives for all? (accepted book chapter forthcoming, April 2022)

2021

6. Global Burden of Disease 2019 Cancer Collaboration, Kocarnik JM, Compton K, et al. Cancer Incidence, Mortality, Years of Life Lost, Years Lived With Disability, and Disability-Adjusted Life Years for 29 Cancer Groups From 2010 to 2019: A Systematic Analysis for the Global Burden of Disease Study 2019 [published online ahead of print, 2021 Dec 30]. *JAMA Oncol.* 2021;10.1001/jamaoncol.2021.6987. doi:10.1001/jamaoncol.2021.6987
7. GBD 2019 HIV Collaborators. Global, regional, and national sex-specific burden and control of the HIV epidemic, 1990-2019, for 204 countries and territories: the Global Burden of Diseases Study 2019. *Lancet HIV.* 2021;8(10):e633-e651. doi:10.1016/S2352-3018(21)00152-1
8. GBD 2019 Adolescent Mortality Collaborators. Global, regional, and national mortality among young people aged 10-24 years, 1950-2019: a systematic analysis for the Global Burden of Disease Study 2019. *Lancet.* 2021;398(10311):1593-1618.
9. Starnes JR, Wamae J, Okoth V, Ressler DJ, Were V, Were LPO, Moon TD, **Wamai R**. Population-based socio-demographic household assessment of livelihoods and health among communities in Migori County, Kenya over multiple timepoints (2021, 2024, 2027): A study protocol. *PLoS One.* 2021;16(8):e0256555. Published 2021 Aug 25.
10. Global Burden of Disease 2020 Health Financing Collaborator Network. Tracking development assistance for health and for COVID-19: a review of development assistance, government, out-of-pocket, and other private spending on health for 204 countries and territories, 1990-2050 [published online ahead of print, 2021 Sep 22]. *Lancet.* 2021;S0140-6736(21)01258-7.

SCIENTIFIC CONFERENCES – PARTICIPATION AND PRESENTATION

International

2022

1. Thapa BB, Rahman M, Steingrimsson J, Were LPO, Wamai RG, Genberg B, Galarraga O. Do “Targeted Intergovernmental Fiscal Transfers Improve Health Outcomes? Evidence from Kenyan Decentralization”. AcademyHealth [Economics of Health Service Delivery] 2022 Annual Research Meeting, June 4-7, 2022 Washington, DC. Role: co-author.
2. Thapa BB, Rahman M, Steingrimsson J, Were LPO, Wamai RG, Genberg B, Galarraga O. Do “Targeted Intergovernmental Fiscal Transfers Improve Health Outcomes? Evidence from Kenyan Decentralization”. Population Association of America 2022 Annual Meeting, April 6-9, 2022 Atlanta Georgia. Role: co-author.

2021

1. Kitondo M, Nyakundi H, Atuko M, Wang’ombe JK, Matoke M, Masiga D, **Wamai RG**. “Cutaneous Leishmaniasis in Kenya: A study of knowledge, attitudes, and practices in two focal sub-counties”. ASTMH Annual Meeting, Nov. 17-21, 2021, virtual, abstract No. 1246.
2. CUGH 2021: “A Retrospective Analysis of Prevalent Medical Diagnoses Among Indigenous and Non-indigenous Pediatric Panamanian Patients”. Students: Shreya Shetty, Holly Chadwick, Akul Bahl, Richard Wamai). Abstract ID#: 970 .

2020

1. Oral presentation: Kasaie P, Weir B, Schnure M, Dun C, Pennington J, Teng Y, Pretorius C, **Wamai RG**, Mutai K, Dowdy D, Beyrer C. “Integrated screening and treatment services for HIV, hypertension and diabetes in Kenya: assessing the epidemiological impact and cost-effectiveness from a national and regional perspective.” Session: Launch of a JIAS Supplement: Integrating services for HIV and related comorbidities: modelling to inform policy and practice. Organized by the U .S. National Institutes of Health; Fogarty International Center; Center for Global Health Studies. Mon, Jul 6, 2020; [23rd International AIDS Conference: AIDS2020Virtual \(Jul. 6-10\)](#). Role: co-author
2. Kasaie P, Weir B, Schnure M, Dun C, Pennington J, Teng Y, Pretorius C, **Wamai RG**, Mutai K, Dowdy D, Beyrer C. “Assessing the impact and cost-effectiveness of HIV and NCD integrated care in Kenya.” 27th Conference on Retroviruses and Opportunistic Infections (CROI 2020). Abstract #1094 [*Topics in Antiviral Medicine*. 2020;28(1): 414] [<https://120qrk11gh163n79gg1cg656-wpengine.netdna-ssl.com/wp-content/uploads/2020/04/may2020.pdf>]

2019

1. Oral presentation: Nyakundi H, Kitondo M, Atuko M, Plilan E, Wang’ombe JK, Matoke D, Masiga D, **Wamai RG**. Behavioral, ecological and socio-demographic correlates for Visceral Leishmaniasis transmission in Baringo, Kenya. Abstract # 1302. 68th Annual Meeting of the American Society of Tropical Medicine and Hygiene (ASTMH). National Harbor, Maryland USA. November 20-24, 2019. Role: co-author, presenter.
2. Poster presentation: **Were LPO**, Hogan J, Galarraga O, Wamai RG. Predictors of Health Insurance Enrollment among HIV+ Pregnant Women in Kenya: Potential for Adverse Selection and Implications for HIV Treatment & Prevention. 23rd Annual National Center for AIDS Research Meeting. UN Chapel Hill, NC. November 5 - 8, 2019. Role: co-author
3. Kasaie P, Weir B, Schnure M, Dun C, Pennington J, Teng Y, Pretorius C, Wamai RG, Mutai K, Dowdy D, Beyrer C. Assessing the epidemiological impact and cost-effectiveness of integrating screening and treatment services for HIV, hypertension and diabetes in Kenya

from a national and local perspective (Under review: Submitted to NIH Fogarty Sep. 16, 2019; submitted to JIAS on Sep. 27, 2019 [JIAS-2019-09-0509])

4. Oral presentation: Potter C, Osei I, Aminkiah F, Kanin K, Aguna I, Boateng E, Annor F, Wamai RG, Owusu-Dabo E. “Knowledge, Attitude and Practices of Household Contacts and Neighbors of Salmonella Typhi Cases in Relation to Typhoid Fever in Peri-Urban Ghana.” Abstract #143. 11th Conference on Typhoid and Other Invasive Salmonellosis. Hanoi, Vietnam, March 26-28. Role: co-author
5. Consortium of Universities for Global Health (CUGH) – 10th Annual CUGH Global Health Conference: *Translation and Implementation for Impact in Global Health*. Chicago, IL, USA (March 8-10); CUGH Global Health Program Advisory Service (GHPAS) Subcommittee first member meeting

2018

6. Poster presentation: Osetinsky, B, Mwangi A, Sang E, Bloomfield G, Pastakia S, Wamai RG, De Vlas SJ, Hontelez JAC, Hogan J, McGarvey S, Lurie M, Galarraga O, “Characterizing the need for integrated chronic disease healthcare for people living with HIV”. Poster # TUPEC333. AIDS 2018, Amsterdam Netherlands, July 2018
7. Poster presentation: Osetinsky B, Mwangi A, Sang E, Bloomfield G, Pastakia S, Wamai RG, De Vlas SJ, Hontelez JAC, Hogan J, McGarvey S, Lurie M, Galarraga O, “Analyzing the Need for Integrating Hypertension Care into HIV services to Improve Access to Care in Kenya”. Poster #B-244. AcademyHealth, Seattle WA, June 2018
8. Oral presentation: “An integrated community interventional-evaluative model for neglected diseases in East Pokot district, Kenya”. WHO Bi-Regional Consultative Meeting on the Status of Implementation of Leishmaniasis Control Strategies and Epidemiological Situations in East Africa. Addis Ababa, Ethiopia, April 9-11. Role: co-author

2017

9. Attendee: 66th Annual Meeting of the American Society of Tropical Medicine and Hygiene (ASTMH). Baltimore, Maryland USA, November 5-9, 2017
10. Oral presentation: Muhia DM, Ngumbi P, Mwangi M, Ingonga J, Nyakundi H, Yusuph M, Barrack O, Masiga D, Wang'ombe J, **Wamai RG**. “Visceral and cutaneous leishmaniasis occurrence and transmission dynamics in Kenya”. Abstract No. C2024. 6th World Congress on Leishmaniasis, Toledo, Spain. May 16th – 20th. Role: co-author
11. Oral presentation: “Visceral Leishmaniasis in East Pokot, Baringo”. WHO Bi-Regional Consultation on Visceral Leishmaniasis Control in East Africa. Nairobi, Kenya, June 12-14. Role: co-author & presenter
12. Moderator: WHO Bi-Regional Consultation on Visceral Leishmaniasis Control in East Africa. Nairobi, Kenya, June 12-14. Role: Chair of working group on “Surveillance and DHIS 2 Status, Issues/Challenges and Solutions” and compiling of reports from 3 working groups.

2016

13. Grifferty G, **Wamai RG**. Outcomes of a community interventional-evaluative model for neglected diseases in east Pokot, Kenya. 65th Annual Meeting of ASTMH. Atlanta. GA, USA, Nov. 13-17, 2016. Abstract #1157. Role: presenter
14. Oral presentation: Matoke-Muhia DK, Landmann T, Ngumbi P, Mwangi M, Ingonga J, Nyakundi H, **Wamai RG**, Wang'ombe J, Masiga D. Sandfly occurrence, distribution and diversity in leishmania endemic regions in Kenya. 65th Annual Meeting of ASTMH. Atlanta. GA, USA, Nov. 13-17, 2016. Abstract #1279. Role: co-author
15. Oral presentation: “An integrated community interventional-evaluative model for neglected diseases in East Pokot, Kenya: Focus on VL in East Pokot Sub-County”. WHO Bi-Regional Consultation on Visceral Leishmaniasis Control in East Africa. Kampala, Uganda, April 19-21. Role: co-author & presenter
16. Oral poster discussion: Sosa-Rubí SG, Bautista-Arredondo S, Opuni M, Contreras-Loya D, La Hera-Fuentes G, Salas-Ortiz A, Kwan A, Condo J, Dzekedzeke K, Galárraga O, Martinson N,

Masiye F, Nsanzimana S, **Wamai RG**, Wang'ombe JK. "Average costs of voluntary medical male circumcision and their determinants in Kenya, Rwanda, South Africa and Zambia." Poster # THPDE0204. 21st International AIDS Conference (AIDS 2016), Durban, South Africa. July 18-22. Role: co-author

17. Oral poster discussion: Galárraga O, **Wamai RG**, Sosa-Rubí SG, Mugo M, Contreras D, Bautista-Arredondo SB, Nyakundi H, Wang'ombe J. "HIV prevention costs and its determinants: Evidence from the ORPHEA project in Kenya". Abstract # A-792-0515-05231. 21st International AIDS Conference (AIDS 2016), Durban, South Africa. July 18-22. Role: co-author

18. Poster presentation: Galárraga O, **Wamai RG**, Sosa-Rubí SG, Mugo M, Contreras D, Bautista-Arredondo SB, Nyakundi H, Wang'ombe J. "Determinants of Economic Efficiency in HIV Prevention: Evidence From ORPHEA Kenya". Abstract #1059. Conference on Retroviruses and Opportunistic Infections (CROI 2016), Boston MA, USA. February 22-25. Role: co-author

2015

1. Oral presentation: Bradford LS, Cholli P, DeGregorio GA, Ogembo RK, Liu Y, Nulah K, **Wamai RG**, Kennedy-Sheldon L, Welty E, Welty T, Ogembo JG. "Implementation and integration of careHPV with a WHO-endorsed 'screen-and-treat' cervical cancer screening program in Cameroon". 30th International Papillomavirus Conference & Clinical and Public Health Workshops, Lisbon, **Portugal**. September 17-21. Role: co-author
2. Oral presentation: Were L, **Wamai RG**, Galarraga O. "Social Health Insurance and Health Outcomes for HIV+ Pregnant Women: Evidence from Kenya". International Health Economics Association (IHEA), Milan, **Italy**. 12-15 July. Role: co-author
3. Poster Presentation: Were L, **Wamai RG**, Galarraga O. "The impact of social health insurance on HIV prevention and treatment: evidence from Kenya". IAS 2015, 8th IAS Conference on HIV Pathogenesis, Treatment and Prevention. Vancouver, **Canada** (July 19-22). Role: co-author.
4. Poster presentation: **Wamai RG**, Sassi A*, Bollinger G*, Galarraga O, Wang'ombe J, Mugo M, Sosa-Rubi S, Buzdugan R, Nyakundi H, Chaumont C, Kwan A, Moreno IO, Bautista-Arredondo S. "Assessing the Efficiency of HIV Prevention Interventions in Kenya: Results from the ORPHEA Project". 6th Annual CUGH Conference: Mobilizing Research for Global Health; Boston MA, **USA**, March 26-28. Role: co-author.
5. Poster presentation: **Wamai RG**, Griffery G*, Obadina D*, Wang'ombe JK, Ogembo JG, Pollastri MP, Nyakundi H, Ogutu B, Mutonga D, Muchiri M, Wasunna M, Yoos A, Oduwo G. "Assessing leishmaniasis in East Pokot Kenya: an epidemiological survey and community evaluation". 6th Annual CUGH Conference: Mobilizing Research for Global Health; Boston MA, **USA**, March 26-28. Role: co-author.
6. Oral presentation: Ogembo JG, Manga SM, Cholli P, Bradford L, DeGreogiro G, **Wamai RG**, Tih PM, Ogembo RK, Liu Y, Nulah K, Welty E, Welty T, Kalmakis K, Sheldon LK. "Launch of *care* HPV Pilot Program in Cameroon, Preliminary Findings: 1st QIAGEN's HPV Forum; University of Nairobi, Nairobi, **Kenya**, March 17-18. Role: co-author.
7. Oral presentation: Ogembo JG, Manga SM, Cholli P, Bradford L, DeGreogiro G, **Wamai RG**, Tih PM, Ogembo RK, Liu Y, Nulah K, Welty E, Welty T. "Implementation of careHPV screening followed by VIA-DC to triage treatment of cervical neoplasia and cancer in Cameroon". 6th International workshop on prevention, screening of cervical cancer and colposcopy; Kribi, **Cameroon**, March 25-27. Role: co-author.

2014

8. Oral presentation: Bautista-Arredondo S, Sosa-Rubí SG, Condo J, Martinson N, Masiye F, Nsanzimana S, Wang'ombe J, Dzekedzeke K, Galarraga O, **Wamai RG**, Coetzee J, Buzdugan R, Chaumont C, Kwan A, Moreno IO. "Assessing Technical Efficiency of HIV

- Prevention Interventions in four African Countries”. [Abstract No. 306919] The 142nd APHA Annual Meeting; New Orleans, **USA**, November 15-19. Role: co-author.
9. Oral presentation: Bautista-Arrendondo S, Sosa-Rubí SG, Condo J, Martinson N, Mayise F, Nsanzimana S, Wang'ombe J, Dzekedzeke K, Galarraga O, **Wamai RG**, Coetzee J, Buzdugan R, Chaumont C, Kwan A, Moreno IO. “Determinants of Technical Efficiency of HIV Prevention Interventions in four African Countries”. [Abstract No. 306873] The 142nd APHA Annual Meeting; New Orleans, **USA**, November 15-19. Role: co-author.
 10. Oral presentation: Contreras-Loya D, Sosa-Rubí SG, Azamar-Alonso A, Moreno IO, Condo J, Dzekedzeke K, Galarraga O, Nsanzimana S, Martinson N, Mayise F, **Wamai RG**, Wang'ombe J, Bautista-Arrendondo S. “Technical efficiency and its relation to health providers' competence and scale of production of HTC services in Africa: A multi-country cost and quality of care study”. [Abstract No. 304738] The 142nd APHA Annual Meeting; New Orleans, **USA**, November 15-19. Role: co-author.
 11. Oral presentation: Kwan A, Gonzalez RB, Condo J, Martinson N, Coetzee J, Mayise F, Dzekedzeke K, Wang'ombe J, Galarraga O, **Wamai RG**, Sosa-Rubí SG, Bautista-Arrendondo S. “Measuring HIV prevention costs: Allocating staff salaries of multitasking personnel with time motion methods in the ORPHEA project”. [Abstract No. 306213] The 142nd APHA Annual Meeting; New Orleans, **USA**, November 15-19. Role: co-author.
 12. Oral presentation: Moreno IO, Kwan A, Condo J, Martinson N, Coetzee J, Mayise F, Dzekedzeke K, Wang'ombe J, Galarraga O, **Wamai RG**, Bautista-Arrendondo S, Sosa-Rubí SG. “Quality of care for three HIV prevention interventions: A multi-country study in Africa”. [Abstract No. 305814] The 142nd APHA Annual Meeting; New Orleans, **USA**, November 15-19. Role: co-author.
 13. Oral presentation. Bautista-Arredondo S, Sosa-Rubí SG, Contreras-Loya D, Opuni M, Kwan A, Chaumont C, Condo J, Martinson N, Coetzee J, Masiye F, Nsanzimana S, Wang'ombe J, Dzekedzeke K, Galarraga O, **Wamai RG**, on behalf of the ORPHEA study team. “Assessing technical efficiency of HIV prevention interventions in three sub-Saharan countries”. [Session No. TUAE02] 20th International AIDS Conference; Melbourne, **Australia**, July 20-25. Role: co-author.
 14. Poster presentation. University of Nairobi STD/AIDS Collaborative Group Annual Review Meeting 2014; Nairobi, **Kenya** (Mayfair Court Southern Sun), January 27-30. Role: co-author.
- 2013**
23. Poster presentation: Bautista-Arrendondo S, Condo J, Martinson N, Mayise F, Nsanzimana S, Wang'ombe J, Dzekedzeke K, Galarraga O, Mugo M, **Wamai RG**, Buzdugan R, Chaumont C, Kwan A, Ochoa I, Over M, Sosa-Rubí SG. “Assessing technical efficiency of HIV prevention interventions in 5 African countries: preliminary results of the ORPHEA project for HTC, PMTCT and VMMC in 2 countries”. 17th International Conference on AIDS and STIs in Africa (ICASA) ICASA; Cape Town, **South Africa**, December 7-11. Role: co-author.
 24. Oral presentation: Bautista-Arrendondo S, Condo J, Martinson N, Mayise F, Nsanzimana S, Wang'ombe J, Galarraga O, Dzekedzeke K, Galarraga O, Mugo M, **Wamai RG**, Buzdugan R, Chaumont C, Kwan A, Ochoa I, Over M, Sosa-Rubí S. “Assessing technical efficiency of HIV prevention interventions in four African countries: Methods of the ORPHEA project”. The 141st APHA Annual Meeting; Boston, **USA**, November 2-6. Role: co-author/presenter.
 25. Participant/discussant: EFINTD Discussion Group Meeting, Kumasi Centre for Collaborative Research in Tropical Medicine, Kwame Nkrumah University of Science and Technology, Kumasi (Signing of MOU with Northeastern U), Kumasi **Ghana**, Aug 4-7.
 26. Conference organizer, host and participant: “Faith, Civil Society and Development in Africa.” 4th ISTR Africa Regional Conference; Nairobi, **Kenya**, July 11-13.
 27. Participant: “A Decade of R&D for Neglected Diseases in Africa – Endemic Country Research and Development for Patient Access”; Drugs for Neglected Diseases Initiative; Nairobi, **Kenya**, June 4-5.
- 2012:**
28. Poster presentation: **Wamai RG**, Wang'ombe J, Ogembo JG, Pollastri MP, Nyakundi H, Ogutu B, Mutonga D, Muchiri E, Wasunna M, Yoos A, Oduwo G. “Prevalence of Visceral

- Leishmaniasis in East Pokot District Kenya: An Epidemiological and Community Interactions” (Presentation Number: LB-68). American Society of Tropical Medicine and Hygiene; Atlanta, GA, USA, Nov 11–15. Role: co-author/presenter.
29. Expert participant: HIS Strategic Plan Dissemination Workshop, Ministry of Health. Lilongwe Hotel, Lilongwe, **Malawi**, July 26-27.
 30. Expert participant: Uniting to Combat NTDs – Ending the Neglect and Reaching 2020 Goals. KEMRI Training Center, Nairobi, **Kenya**, January 30.
 31. Expert participant: University of Nairobi STD/AIDS Collaborative Group – 2012 Annual Review Meeting, Nairobi, **Kenya**, January 23-27.
 32. Expert participant and advising on building the health management information system (HMIS): Ministry of Health and Social Welfare – Directorate of Policy and Planning, M&E Section: Building Consensus and Finalization of New HMIS Tools for National Rollout. Dar es Salaam, **Tanzania**, January 17-18.
- 2011:**
33. Oral presentation: Ngugi B, **Wamai RG**. “Evaluating the quality and usefulness of current HIV/AIDS surveillance system in USA”. International Conference on Information Systems, Shanghai, **China**, Dec 4-7.
 34. Poster: Galarraga O, **Wamai RG**: “Health insurance in Kenya – economic evaluation of the National Hospital Insurance Fund’s capability for out-patient coverage”. Nordic Health Economists’ Study Group (NHESG) Meeting, Odense, **Denmark**, Aug 17-19.
- 2010:**
35. Moderator, session: “Civil Societies and Social Cohesion: In search of ‘frames of sensitivity’”. IX International Conference of the International Society for Third-Sector Research, Istanbul, **Turkey**, Jul 7-10.
- 2009:**
36. Moderator, working group on Subsidiarity & Healthcare: The 20th Annual Johns Hopkins International Philanthropy Fellows Conference, theme: “Beyond the Welfare State, towards Subsidiarity”. Milan, **Italy**, Jun 28-Jul 3.
- 2008:**
37. Poster presentation: Halperin DT, Potts M, Kirby D, Swidler A, Marseille E, Klausner J, Hearst N, **Wamai RG**, Kahn JG, Walsh J. “Rethinking HIV Prevention in Generalized Epidemics”. XVII International AIDS Society. Mexico City, **Mexico** Aug 3-8.
 38. Oral presentation: “Reforming health systems: the role of NGOs in Decentralization – lessons from Kenya and Ethiopia”. VIII International Conference of the International Society for Third Sector Research. Barcelona, **Spain**, Jul 9-12.
 39. Oral presentation: “Health challenges in Africa and the role of NGOs”. XIX Annual Johns Hopkins International Fellows in Philanthropy Conference. Theme: Beyond the Welfare State: The Third Sector and the New Tendencies in Social Welfare Policy in Europe—The Case of Spain. Barcelona, **Spain**, Jul 6-9.

National

2015:

1. Poster presentation: DeGregorio G, Tih PM, Maranda L, **Wamai RG**, Ogembo RK, Welty E, Welty T, Manga S, Haritu L, Nulah K, Sando Z, Kalmakis K, Sheldo LK, Ogembo JG, Bradford L. Evaluation of see-and-treat cervical cancer screening in HIV+ and HIV- women in Cameroon. 2015 Annual Clinical and Scientific Meeting, American College of Obstetricians and Gynecologists; San Francisco, CA, **USA**, May 2-6. Role: co-author.
2. Poster presentation: DeGregorio G, Tih PM, Maranda L, **Wamai RG**, Ogembo RK, Welty E, Welty T, Manga S, Haritu L, Nulah K, Sando Z, Kalmakis K, Sheldo LK, Ogembo JG, Bradford L. “Evaluation of see-and-treat cervical cancer screening in HIV+ and HIV-

women in Cameroon”. Society of Gynecologic Oncology, Annual Meetings of Women’s Cancer; Chicago IL, March 28-31. Role: co-author

2014:

3. Poster Presentation: Were L, **Wamai RG**, Galarraga O. “Social Health Insurance for HIV Prevention and Treatment: Evidence from Western Kenya”. ASHEcon: Fifth Biennial Conference, 2014 Health & Healthcare in America: From Economics to Policy. Los Angeles, California, June 22 – 25. Role: co-author
4. Poster Presentation: Were L, **Wamai RG**, Galarraga O. “Social Health Insurance for HIV Prevention and Treatment among Pregnant Women: Preliminary Evidence from Western Kenya”. AcademyHealth ARM. San Diego California. June 8 – 10. Role: co-author.

2012:

5. Panelist: Expert Connections Teleconference - HIV Prevention Breakthroughs (Talk on VMMC; event with Murray Coombs, Unilever Africa Regional Director, and Robert Grant, UCSF, lead author of the “IPrEx” study). GBCHealth, June 27. http://gbchealth.org/event/144-expert_connections_teleconference_hiv_prevention_breakthroughs/

2011:

6. Participant: The Forgotten Epidemic - Our Collective Response and Solutions to the Black AIDS Crisis in America. NAACP and Harvard University CFAR advocacy summit. Washington DC, Nov 2-3.
7. Oral presentation: **Wamai RG**, Donald L*, Ngugi B. “HIV/AIDS Among African-born foreigners in the US: An analysis of the epidemiological trends in Massachusetts, New York, and Washington DC”. US National HIV Prevention Conference [session: Approaches to Understanding the Epidemic Among African American Populations]. Atlanta, GA, Aug 14-17. Role: co-author

2010:

8. Oral presentation: “HIV/AIDS among African-born foreigners in the US: An analysis of the epidemiological trends in Massachusetts, New York and Washington DC”. 1st US Conference on African Immigrant Health – USCAIH. Atlanta, GA, Apr 7-10.

Regional/Local

2015:

1. Oral presentation: “Communicating Ebola crisis in Africa”; 6th African Languages and the Disciplines (ALD) Conference, Harvard University; Cambridge MA, USA (Apr 23)

2014:

1. Oral presentation: **Wamai RG**, Grifferty G. “Epidemiological and community assessment of Leishmaniasis in East Pokot district of northern Kenya”. Tufts University Global Health Research and Innovation Day, Boston, MA (Nov 20). Role: co-author
2. Poster Presentation: DeGregorio G, Pius MT, Maranda L, **Wamai RG**, Ogembo R, Welty E, Welty T, Manga S, Haritu L, Nulah K, Sando Z, Kalmakis K, Sheldon LK, Ogembo JG, Bradford L. “Evaluation of WHO-endorsed ‘see and treat’ cervical cancer screening in HIV-positive and HIV-negative women in Cameroon”. 4th Annual Community Engagement and Research Symposium: Building on Partnership Strengths to Improve Community Health. University of Massachusetts Medical School; Worcester, MA (Nov 7). Role: co-author
3. Poster Presentation: DeGregorio G, Ogembo JG, Muffih TP, Maranda L, **Wamai RG**, Kemunto R, Welty E, Welty T, Manga S, Haritu L, Nulah K, Bradford L, Kalmakis K, Sheldon LK. “Evaluation of WHO-endorsed ‘see and treat’ cervical cancer screening in HIV+ and HIV- women in Cameroon”. Summer Research Poster Session, University of Massachusetts Medical School; Worcester, MA (Aug 15). Role: co-author
4. Poster presentation: Ogembo JG, DeGregorio G, Muffih TP, Maranda L, **Wamai RG**, Kemunto R, Welty E, Welty T, Manga S, Bradford L, Kalmakis K, Sheldon LK. “Cervical

Cancer in Cameroon: A Three Pronged Approach to Increase Awareness, Vaccination, Screening and Treatment”. University of Massachusetts Center for Clinical and Translational Science, 5th Annual Research Retreat; Worcester, MA (May 20)

5. Oral presentation: “African Languages and HIV/AIDS”; 5th African Languages and the Disciplines (ALD) Conference, Harvard University; Cambridge, USA (Apr 24)
6. Panelist: “Public Health Challenges and Innovation in African Countries” in “Africa Beyond the Headlines”. Fletcher School Africana Club, Fletcher School of Law and Diplomacy, Tufts University; Boston, MA (March 28)

2011:

7. Oral presentation: “MC for HIV Prevention: science and implementation update”. Harvard School of Public Health, Takemi Program in International Health; Boston, MA (Oct 25).
8. Oral presentation: “Communicating for behavior change for HIV/AIDS in sub-Saharan Africa”. 2nd African Languages in the Disciplines Conference, Harvard University, Department of African and African American Studies; Cambridge, MA (Apr 21–22).

2010:

9. Oral presentation: “Statutory Healthcare insurance in Kenya”. Harvard African Law & Development Conference, Harvard Law School. Cambridge MA, USA (Apr 16-18)
10. Oral presentation: “Language and healthcare policy”. 1st African Languages in the Disciplines Conference, Harvard University, Department of African and African American Studies. Cambridge, MA (Apr 22 – 23).

Internal/Northeastern Seminars & Conferences

2021

1. RISE 2021: “A Retrospective Analysis of Prevalent Medical Diagnoses Among Indigenous and
a. Non-indigenous Pediatric Panamanian Patients”. Students: Shreya Shetty, Holly
b. Chadwick, Akul Bahl, Richard Wamai). Abstract ID#: 2419.
2. RISE 2021: “Vulnerabilities to and the Socioeconomic Impacts of the Leishmaniases: A
a. Review”. Students: Grace Grifferty, Hugh Shirley, Jorja Kahn, Jamie McGloin,
Adrienne
b. Orriols, Wamai RG. Abstract ID#: .
3. RISE 2021: “Northeastern University Global Health Initiative Tackles Health and Racial Inequity: C.A.R.E 2021”. Students: Fatemah Mukadum, Nyle Sharif, Andrew Lee, Rebecca Gluck, Ramya Kumar.

2020:

1. Panel: *Health Disparities Webinar*. Panel organized by *ViTAL*, Northeastern University (June 30)
2. Panel: NUGHl Fireside Chat on “Equity Research and Community Involvement” (October 1)
3. Speaker: Northeastern Innovators for Global Health (IGH) (October 22)

2019:

4. Presentation: “*Health Determinants, Measurements, and Trends*”. Torch Interview Day, Northeastern University (March 1)
5. Panel: *Global Health*. Panel organized by END Initiative, Northeastern University
6. Collaborator/Judge: Global Health Innovation Summit. Day-long event organized by Engineering World Health, Northeastern University (April 14)
7. RISE 2019: “Barriers to HIV Elimination in the African Region: An Exploration of 17 Countries with Rising Incidence”. Student: Cicely Krebill). Abstract ID#: 2419.
8. RISE 2019: “Systematic Review of Non-Communicable Diseases (NCD) in Kenya Using STEPs Survey: Hypertension, Pre-Diabetes and Diabetes Mellitus, Cervical Cancer, Injury and Their Risk Factors”. Students: Grace Grifferty, Adrienne Orriols. Abstract ID#: 2417.

9. RISE 2019: “Influencing Community-Based Point-of-Care for Visceral Leishmaniasis in East Pokot, Kenya” [Correct title: Influencing Community-Based Point-of-Care for visceral and cutaneous Leishmaniasis Kenya]. Students: Grace Grifferty, Adrienne Orriols (Kenya field trip, December 2017), Jamie McGloin, Cicely Krebill (new data analysis). Abstract ID#: 2742.

2018:

10. Presentation: *Cancer*. Torch Interview Day, Northeastern University (March 2)
11. Poster presentation: Fredette R*, Aggarwal D*, Wamai RG, Mohammed S. “Platform for Student-Led Global Health Advocacy”. NEU Research Expo. Abstract ID# 2104
12. RISE 2018: “Knowledge, Attitude and Practices of Household Contacts of Salmonella Typhi Cases in Relation to Typhoid Fever in Peri-Urban Ghana”. Christina Potter (student; Ghana co-op 2017). Poster, Abstract ID# 2071.
13. RISE 2018: “Patient Perceptions of Clinical Eye Care and Alternative Treatment in Ghana”. Anthony Formicola (student; Ghana co-op 2017). Poster, Abstract ID#2113.
14. RISE 2018: “Influencing Community-Based Point-of-Care for Visceral Leishmaniasis in East Pokot, Kenya”. Grace Grifferty & Adrienne Orriols (students; Kenya field trip, December 2017). Poster, Abstract ID#: 2106.

2017:

15. Participant in the *High Quality Health Systems: A Global Agenda* launch of the Lancet Global Health Commission on High Quality Health Systems in the SDG Era ([HQSS Commission](#)), Harvard T.H. Chan School of Public Health (March 13)
16. Careers in Service Panel; together with Sarah Schendel, Shaya Poku; organized by Community Service LLC, Northeastern University (March 22)
17. RISE 2017: “Sandfly Occurrence, Distribution and Diversity in Leishmania Endemic Areas in Kenya”. Laura Baker (student). Poster, abstract ID# 1819. April.
18. RISE 2017: “Assessing the Quality of HIV Prevention Interventions in Kenya: Results from the ORPHEA Study”. Matthew Zinck (student). Poster, abstract ID# 1889. April.

2016:

19. Panelist: Discussion on Global Development [Health and Social Justice Week 2016] (March 28)
20. Panelist: Zika Panel: The Global Response to the Zika Pandemic; with Brook Baker (Law) and Alessandro Vespignani (CoS), (April 6)
21. Panelist: Health Disparities Student Collaborative (HDSC) Public Health mentoring dinner [REF: Chloe Nobuhara <nobuhara.c@husky.neu.edu>], (April 11)
22. Presenter: NEU School of Law, conference (April 14-16), "Individual Choice, Collective Destiny: The Future of Public Health". Title of presentation: Economic Considerations in Global Public Health" (April 15)
23. Panelist: Northeastern University Healthcare Business Club (NUHBC), (April 15)
24. Panelist: Operation Smile, "Until We Heal" Panel: Surgical Equity, Global Health and Development, (April 15)
25. Panelist: GlobeMed @ Northeastern [with **Sheila Davis**, the Chief Nursing Officer at Partners in Health]; NTDs, (December 7)
26. Speaker: The Myra Kraft Open Classroom; “The Obama Legacy: Foreign Policy” [**Wamai, Obama administration’s record on issues of global health**; Denis Sullivan will focus on the Middle East, and NU Law School professor Martha Davis will look at issues of human rights]; <https://www.northeastern.edu/cssh/policyschool/myra-kraft-open-classroom/> (December 7)

2015:

27. Poster presentation: **Wamai RG**, Sassi A*, Bollinger G*, Galarraga O, Wang'ombe J, Mugo M, Sosa-Rubi S, Buzdugan R, Nyakundi H, Chaumont C, Kwan A, Moreno IO, Bautista-Arredondo S. “HIV prevention interventions in Kenya: characteristics of the infrastructure

in the ORPHEA project [HIV Prevention Interventions in Kenya]”. NEU Research Expo (Apr 9).

28. Poster presentation: **Wamai RG**, Griffery G*, Obadina D*, Wang’ombe JK, Nyakundi H, Mugo M, Wachira D, Atuko M, Pilan E, Ogutu B, Wasunna M. “An integrated community interventional-evaluative model for neglected diseases in East Pokot district, Kenya [Community model for NTDs in East Pokot Kenya]”. NEU Research Expo (Apr 9).
29. Keynote Speaker: “Healthcare in Africa – Situational Analysis, Innovations and Challenges”; Ghana EMBA program 2015 (Feb 26)

2014:

30. Speaker: “HIV/AIDS ‘Fire in the Blood’”; International Education Week 2014 (Nov 20)
31. Panelist: “Ebola Panel: An Educational Event About the Outbreak” (Sep. 30)
32. Poster presentation: “Assessing the Efficiency of HIV Prevention Interventions in Kenya: results from the ORPHEA project”. NEU Research Expo (Apr 10).
33. Poster presentation: “Assessing leishmaniasis in East Pokot Kenya: an epidemiological survey and community evaluation”. NEU Research Expo (Apr 10).

2013:

34. Panelist (World AIDS Day Panel): HIV and Community Health: A Global Perspective. Face AIDS (Dec 3).
35. Presenter: “Researching Leishmaniasis in Kenya”; Global Health Fridays seminar series of the Integrated Initiative for Global Health (Nov. 15)
36. Panel Member: “Neglected Tropical Diseases”; Millennium Campus Conference (Nov 2)
37. Symposium Convener and Moderator: “Somalia and the World: Dialogue on the Nairobi Westgate Mall”; Center for International Affairs and World Cultures (Oct. 9)
38. Panelist, Faculty Roundtable: “Harnessing Interdisciplinary Perspectives to Inform Effective Health Policy and Law in HIV/AIDS Response”; Program on Health Policy and Law, School of Law (Sept. 25)
39. Convener and Panelist: “Careers in Global Health”; College of Professional Studies, Northeastern University (Jan 24)

2012:

40. Panelist (World AIDS Day Panel): HIV and Community Health: A Global Perspective. Face AIDS (Dec 3).
41. Oral presentation: **Wamai RG**, Galarraga O (Brown University): “Optimizing the Response of Prevention: HIV Efficiency in Africa Project (ORPHEA)”. Faculty Roundtable, Program on Health Policy and Law (Oct 15).
42. Oral presentation: “Neglected Tropical Diseases: Conducting Field Work on Leishmaniasis in Kenya”. NEU humanities seminar series (Feb 27).

2011:

43. Oral presentation: “Male Circumcision for HIV Prevention: Science and Implementation in Sub-Saharan Africa”. World AIDS Day Panel, Northeastern University (Dec 1).
44. Invited talk to students: Healthy Me, Healthy You 2011-2012 International Health Speaker Series - Bouve & Global Initiatives Living Learning Community Program. (Nov 17).
45. Guest lecture: “Urbanization and Health in developing countries”. NEU MPH Program (Oct 27).
46. Poster presentation: Neglected Tropical Diseases: Schistosomiasis, Echinococcosis, and Leishmaniasis in Kenya”. NEU Research Expo (Apr 6).
47. Poster presentation: “HPV Vaccination in Cameroon: Awareness about cervical cancer, HPV infection and vaccines among adolescent girls, parents and health care profession”. NEU Research Expo (Apr 6).
48. Poster presentation: “Adolescents Knowledge, Attitudes and Management of Menstruation and Its Impact on Education and Reproductive Health”. NEU Research Expo (Apr 6).

49. Oral presentation: “Neglected Tropical Diseases in Kenya” [First presentation of the Health Roundtable series] NEU Global Health Roundtable (Mar 8).

2010:

50. Oral presentation: “Funding targeted interventions towards meeting the Universal Access goals”. World AIDS Day Panel, Northeastern University (Dec 1).
51. Oral presentation: “HIV metrics among sub-Saharan Africans in the US”. NEU Institute on Urban Health Research: Internal Research Meetings (Nov 17).
52. Oral presentation: “Funding for Neglected Tropical Diseases”. ForSE 2010 – The Forum for Social Enterprises conference, Northeastern University (Oct 30).
53. Guest lecture: “Urbanization and Health in developing countries”. NEU MPH Program (Oct 28).
54. Panellist: “Urban Health Policy, Race, Gender Disparities and the Law: A Panel Discussion”. NEU – Department of African American Studies event (Oct 21)
55. Oral presentation: “HIV/AIDS Metrics among African-born foreigners in the US: An analysis of the epidemiological trends in Massachusetts, New York and Washington DC”. NEU Symposium: Health Research Exchange (Feb 19).

Invited lectures/guest speaker

2021

1. Journal of the Plague Year: Online COVID Archive [an online archive documenting any form of media demonstrating life during the pandemic. Goal is for researchers and historians to later use the archived media to assist in our preparedness and response to the next crisis], Northeastern University (Christina Lefebvre). “Richard Wamai Oral History 2020/06/29”; Available at: <https://covid-19archive.org/s/archive/item/23910>
2. Panel: *Health Disparities Webinar*. Panel organized by ViTAL, Northeastern University
3. Event: “Virtual Field Trip Series: Dialogue of Civilizations”. Northeastern Alumni Relations (RE: Stephanie Foner). Available on Youtube: <https://www.youtube.com/watch?v=JgRl4wkIntE>.
4. *Visceral Leishmaniasis: Ending the Neglect*. In “SAR HS 441 Neglected Tropical Diseases”, Fall 2020; by Prof. Malwina Carrion, Department of Health Sciences Boston University
5. Honors Propel Grant **Presentation & Exhibition (Shreya and Holly)**
6. *Governing Global Health in the 21st Century*. University of Global Health Equity, Kigali Rwanda. August 26, 2021
7. *Visceral Leishmaniasis in Kenya*. Novartis Institute for Tropical Diseases, Boston, MA (April 30)
8. Webinar: African NTD Leadership Initiative. Organized by The End Fund to discuss way forward following discontinuation of ASCEND funding from UK FCDO amounting to Pounds 150 million for April 2021 – March 2022

2020:

9. Presentation: “***Covid-19 and its impact on vaccine preventable diseases in Africa***”. Africa ECHO April 2020 Webinar, hosted by University of Texas MD Anderson Cancer Center (March 1; attendance: 100)
10. Yale OBGY lecture (Invited by former student Dr. Megan Kassick), title “CERVICAL CANCER: Vaccines & Implementation in US & Africa” (September 8)
11. Presentation: *Visceral Leishmaniasis: Ending the Neglect*. In: “**SAR HS 441 Neglected Tropical Diseases**”, Fall 2020; by Prof. Malwina Carrion, Department of Health Sciences Boston University

2019:

12. Lecture (Maja) “Neglected No More, Fighting The Scourge of Visceral Leishmaniasis”. In: Seminar on Research, Leadership, and Innovation 2019; Office of Undergraduate Research and Fellowships & University Scholars Program (February 21)

13. Presentation: *Visceral Leishmaniasis: Ending the Neglect*. In: “SAR HS 441 Neglected Tropical Diseases”, Spring 2019; by Prof. Malwina Carrion, Department of Health Sciences Boston University (April 4)

14. Lecture: *KENYA: The Healthcare System*. In: “SAR HS480: Comparative Healthcare Systems”; class by Prof. Lawrence Were, Department of Health Sciences, Boston University (November 15)

2018:

15. Presentation: “Visceral Leishmaniasis in Kenya.” Novartis Institute for Tropical Diseases, Boston, MA (April 30)

16. Presentation: *KENYA: Health System NHIF & UHC*. In: “PHP1100 Comparative Health Systems”; class by Prof. Omar Galarraga, Brown University (October 17)

17. Lecture: *KENYA: The Healthcare System*. In: “SAR HS480: Comparative Healthcare Systems”; class by Prof. Lawrence Were, Department of Health Sciences, Boston University (November 15)

2017:

18. Presentation: *Visceral Leishmaniasis, Kenya*; [Takemi Program in International Health](#), Harvard T.H. Chan School of Public Health (February 28)

19. Participant in the *High Quality Health Systems: A Global Agenda* launch of the Lancet Global Health Commission on High Quality Health Systems in the SDG Era ([HQSS Commission](#)), Harvard T.H. Chan School of Public Health (March 13)

20. Presentation: *Thinking Research*; [Eider Africa Limited](#), Research Conversation Open Day Program, Nairobi; 61 students from 8 universities across Kenya (August 26)

21. Lecture: *KENYA: The Healthcare System*; class “SAR HS480: Comparative Healthcare Systems”; Department of Health Sciences at Boston University (November 15)

2013:

22. 2013. Boston International. Keynote speaker: “HIV Policy in an International Context: Assessing the technical efficiency of HIV prevention intervention”, Boston, MA (Sept. 24).

D: Grants

EXTERNAL

On-going Funded

1. Co-PI. Project title: *Strengthen management of Visceral Leishmaniasis, Trachoma and Snakebites through an integrated approach*. Amount requested: € 187,000. Funding agency: Probitas Foundation, Spain. Submitted November 16, 2020. Support period: 01/01-2021-12/31/2022. (PI: Nyakundi, UON, Nairobi).

2. Grant title: *Abu Hijleh Kenya Experiential Education Fund* [donation by Nadia A. Abu Hijleh of Dubai, United Arab Emirates in support of the project “Behavioral and Health Systems Impacts on Health and Population Outcomes for Neglected Diseases in Kenya”]. Amount: \$25,000. Award date: Nov. 3, 2021. Period (not applicable, open and continuing with possible additions)

3. PI. Project title: *Baseline assessment of status of visceral leishmaniasis programs in East Africa*. Amount \$46,190; Funding agency: The END Fund. Project period: 10/1/2021–02/28/2022.

4. Co-Investigator. Project Title: *Assessment of Application of Equity in Neglected Tropical Diseases (NTDs) Programming in sub-Saharan Africa (SSA)*. Amount requested/awarded: \$ 248,050. Funding agency: Bill and Melinda Gates Foundation (BMGF). Period: 03/16/2021–07/31/2021. (PI: Ziraba A, APHRC, Nairobi)

5. Co-Principal Investigator. Project title: *Magnitude and dynamics of Visceral and Cutaneous Leishmaniasis transmission in Baringo, Nyandarua and Nakuru Counties in Kenya*. Amount requested/awarded: Ksh. 19.980 million [\$ 200,000]. Funding agency: National Research Fund

(NRF), Multi-disciplinary Research Grant, Government of Kenya (financial year 2016/17. Submitted Nov. 25, 2016. Support period: 02/01-2018-01/31/2021. (PI: Masiga D, icipe, Nairobi).

Pending (under submission)

1. Co-PI. Project title: *Mapping NTDs transmission patterns and underlying drivers to maximize control efforts for visceral leishmaniasis and trachoma in a pastoralist rural socio-ecological system*. Amount requested: € 1.5 million. Funding agency: DFG, German Research Foundation. Submitted Oct. 27, 2020. Support period: 3 years 2021-2023. (PI: Bollig, Cologne, Germany).

Not Funded

1. PI. Project title: *Community of Practice for Neglected Tropical Disease Program Managers: An Intuitive and Cloud-based Platform to Enhance Access, Information Sharing, Knowledge and Programmatic Success among NTD PMs for the WHO-African Region – A Proposal by the New England NTD Consortium*. Amount requested: US\$ 4,997,329. Funding agency: Bill and Melinda Gates Foundation. Submitted May 22, 2020. Support period: 3 years 2020-2022.
2. PI. Project title: *Visceral leishmaniasis in East Pokot district, Kenya: an integrated community interventional-evaluative model for neglected diseases*. Amount requested: Ksh. 59,690,400.00 [US\$ 596,904]. Funding agency: FIND, Geneva. Submitted Feb. 21, 2020. Support period: 03/01-2020-12/31/2021.
3. PI. Project title: *Sustaining implementation of timely diagnosis and treatment for visceral leishmaniasis (VL) in Baringo County, Kenya*. Amount requested: \$100,000. Funding agency: Sylff, Japan. Submitted June 6, 2020. Support period: 1 year.
4. Co-PI. Project title: *Assessing the feasibility and acceptability of integrating female genital schistosomiasis screening and treatment into antenatal care clinics in Nigeria: An interventional study*. Amount requested: \$109,736.94. Funding agency: COR-NTDs. Period: 01/01/2020–12/31/2020. PD: Akinwale PO.
5. Consultant. Project Title: *Accelerating the Sustainable Control and Elimination of Neglected Tropical Diseases (ASCEND)*. Bidding agency: The END Fund. Amount requested: £200 million. Funding agency: DFID (United Kingdom). Period: 2019–2021. (PD: Lancaster W, The END Fund)
6. Consultant. Project title: *Evaluating the Impact of Social Health Insurance on Healthcare Access and Utilization & Health Outcomes of Children in Kenya*. Amount requested: \$ 150,000. Funding agency Charles H. Hood Foundation. Submitted 09/25/2017. Support period: January 1, 2018 to December 31, 2019 (PI: Were LPO). Status Not Funded, to resubmit
7. Co-Principal Investigator. Project title: *Visceral Leishmaniasis in Kenya – a transdisciplinary approach to disease management*. RFA-AI-16-002: Tropical Medicine Research Centers (U19). Amount requested: \$ 2,500,000. Funding agency: NIH. Submitted May 31, 2016. Support period: 7/1/2017-8/31/2022. (PI: Masiga D, icipe, Nairobi).
8. Co-Investigator. Project Title: *Evaluation of Health System Intervention for Natural Disaster Preparedness: The Case of Nepal 2015 Earthquake*. Amount requested: £191,605 [\$279,700]. Funding Agency: Research for Health in Humanitarian Crises (R2HC). Period: 7/1/2016 – 6/30 2018. (PI: Were LPO, Boston University)
9. Co-Principal Investigator. Project Title: *Changing Patterns of Disease Burden in sub-Saharan Africa: Building Research and Diagnostic Capacity for Non-Communicable and Infectious Disease Control through District Health Empowerment (BRIDGE) [Ghana, Kenya, Tanzania]*. Amount requested: €12,162,000. German Ministry of Education and Research (Germany). Support period: 01/01/2016–12/31/2020. (Multi-country Principal Investigators, Coordinator: Owusu-Dabo E, Kumasi Centre for Collaborative Research, Kumasi Ghana)
10. Co-Investigator. Project Title: *Enhancing Cervical Cancer Screening and Treatment in Cameroon Using mHealth*. Amount requested: \$186,502. Funding agency: National Institutes of Health (NIH),

R21. Submitted June 17, 2014. Support period: 2 years. Scored, pending revision and resubmission July 2016. (PI: Sheldon LK).

11. Co-Principal Investigator. Project Title: *Use of Mobile Phone Technology to Enroll, Manage Accounts, and Make Premium Payments for Health Insurance Coverage in Kenya*. Amount requested: \$100,000. Bill and Melinda Gates Foundation, Grand Challenges. 2014. (PI: Galarraga O, Brown)
12. Co-Principal Investigator. Project Title: *Evaluation of the ZURI Community-Based Health Insurance Scheme in Western Kenya*. Amount requested: £750,000. Medical Research Council (UK). Submitted Jan 14, 2014. (PI: Wang'ombe J, Nairobi)
13. Co-Principal Investigator. Project Title: *Influencing Community Based Point of Care for NTDs; The Case of Leishmaniasis, in East Pokot District, Kenya*. Amount requested: \$15,000. Funding agency: WHO-AFRO. Submitted Oct 31, 2013. (PI: Nyakundi H, Nairobi)
14. Co-Principal Investigator. Project title: *The Northeastern University-Kenya Program for Global Health Innovation*. PAR-12-003: Limited Competition: Framework Programs for Global Health Innovation. Amount requested: \$ 1,747,018.00. Funding agency: NIH. Submitted Dec 15, 2012. Support period: 9/1/2012-8/31/2017. [RESUBMISSION] (PI: Pollastri M, Northeastern).
15. Co-Principal Investigator. Project Title: *Understanding the demand for learning HIV status: potential demand for HIV self-testing among adult men and women and female sex workers in Kenya*. Amount requested: \$102,824. Funding agency: International Initiative for Impact Evaluation (3ie) in coordination with the Kenyan National AIDS & STI Control Program (NASCOP). Submitted: March 18, 2013. [Scored at 70/100; funding at score of 90.8] (PI: Bautista-Arredondo S, National Institute of Public Health (INSP), Mexico)
16. Co-Investigator. Project Title: *Social Health Insurance for HIV Prevention and Treatment in Kenya*. Amount requested: \$40,000. Funding agency: Lifespan/Tufts/Brown Center for AIDS Research. Submitted Sep 28, 2012. Support period: 12/01/2012 to 11/30/2013. (Principal Investigator: Galarraga O, Brown).
17. Co-Investigator. Project Title: *Social Health Insurance & Health Care Services for HIV Prevention and Treatment in Kenya: An Analysis of the Impact of NHIF on HIV+ Pregnant Women and their Newborn Children*. Amount requested: \$324,765. Funding agency: 3ie International Initiative for Impact Evaluation. Submitted Jul 31, 2012. Support period: 01/01/2013 to 12/31/2014. (Principal Investigator: Galarraga O, Brown).
18. Co-Applicant. Project Title: *Maximizing ABDGN's capacity to serve as a Canadian and global think tank on effective responses in HIV/AIDS in African and Black Diaspora populations*. Amount requested: CAN\$598,174. Funding agency: Canadian Institutes for Health Research; Program name: *Network Catalyst Grant*. Submitted Dec 15, 2011. Support period: 08/2012 to 08/2015. (Principal Investigator: Tharao W, Canadian Association for HIV Research).
19. Co-Principal Investigator. Project title: *The Northeastern University-Kenya Program for Global Health Innovation*. PAR-12-003: Limited Competition: Framework Programs for Global Health Innovation. Amount requested: \$ 1,747,018.00 (NEU Direct Costs: \$1,425,139). Funding agency: NIH. Submitted Dec 15, 2011. Support period: 9/1/2012-8/31/2017. (PI: Pollastri M, Northeastern).
20. Principal Investigator. Project Title: *Improving quality of health in African immigrant communities in Massachusetts through community engagement*. Amount requested: \$570,247. Funding agency: Robert Wood Johnson Foundation. Support period: 7/15/2011 – 7/15/2014.
21. Co-Principal Investigator. Project Title: *HPV Vaccination in Cameroon: What people know about the virus, cervical cancer and HPV vaccines*. Amount requested: \$34,726. Funding agency: Union of International Cancer Control (Switzerland). Support period: 2/01/2011 – 1/31/2012. (Principal Investigator: Ogembo JG, UMassMED)

Completed research grants

1. Co-PI. Project title: *Implementation of Visceral leishmaniasis activities in Baringo, Kenya for the ASCEND Program*. Amount requested: Ksh. 5,622,500 [US\$ 56,225]; amount awarded US\$10,000. Funding agency: Submitted Oct. 30, 2020. Support period: 12/01-2020-12/31/2021. (PI: Nyakundi, UON, Nairobi).
2. Principal Investigator. Project Title: *An integrated community interventional-evaluative model for neglected diseases in East Pokot district, Kenya*. Amount requested/awarded: \$ 150,000. Funding agency: Izumi Foundation (Boston). Period: 07/01/2018–06/30/2020.
3. Co-investigator. Project Title: *Strengthening Clinical Infrastructure to Manage Kala-azar Disease at Chemolingot Sub-County Hospital in East Pokot, Baringo Kenya*. Amount requested: €100,075; Amount awarded: €50,000. Funding agency: Probitas Foundation (Spain). Period: 07/01/2018–06/30/2019. (PI: Plilan/Nyakundi: Kaperur Community Based Organization, Nginyang, Baringo, Kenya)
4. Consultant. Project Title: *Insurance Status and Health Outcomes among HIV and HIV TB Co-Infected Persons in Kenya*. Amount requested: \$40,000; awarded \$40,000. Funding agency: Lifespan/Tufts/Brown Center for AIDS Research (NIH/CFAR) Developmental Grant. Support period: 7/01/2018 to 6/30/2019. (Principal Investigator: Were L, BU [mentor: Galarraga O, Brown])
5. Co-collaborator. Project Title: *Construction of a Maternity Wing at Chemolingot Sub-County Hospital*. Amount requested: \$, 212,740. Funding agency: Safaricom Foundation (Kenya). Period: 11/01/2019–10/31/2020. PD: Marachi K.
6. PI. Project Title: *Influencing Community Based Point of Care for NTDs; The Case of Leishmaniasis, in East Pokot District, Kenya*. Amount requested: \$15,000; awarded \$10,000. Funding agency: WHO Geneva. Grant #: G00005333. Period: 11/01/2016–04/30/2017.
7. Consultant. Project Title: *Proof of Concept for Integrated Service Delivery and Mobile, Prize-Linked Health Insurance for the Non-wage Sector*. Amount requested: \$ 100,000. Funding agency: USAID Development Innovation Ventures (DIV); December 17, 2013. [LOI accepted for full application, March 21, 2014. Funding approved, \$ 100,000, November 11, 2014]. Period: 07/01/2015–06/30/2017. (PD: Gardner A, AMPATH, Kenya/Indiana) [Grant No. AID-OAA-G-15-00016].
8. Principal Investigator. Project Title: *An integrated community interventional-evaluative model for neglected diseases in East Pokot district, Kenya*. Amount requested: \$ 150,000; awarded \$ 150,000. Funding agency: Izumi Foundation (Boston). Period: 07/01/2016–06/30/2018.
9. PI. Project Title: *An integrated community interventional-evaluative model for neglected diseases in East Pokot district, Kenya*. Amount requested: \$ 100,000; awarded \$ 100,000. Funding agency: Izumi Foundation (Boston). Period: 05/01/2014–9/1/2016.
10. Co-Investigator. Project Title: *Evaluation of Health System Intervention for Natural Disaster Preparedness: The Case of Nepal 2015 Earthquake*. Seed grant awarded: GBP £9,826 [\$14,300]. Funding Agency: Research for Health in Humanitarian Crises (R2HC). Period: 7/1/2016 – 6/30 2018 PI. (Principal Investigator: Were LPO, Boston University)
11. PI. Project Title: *An integrated community interventional-evaluative model for neglected diseases in East Pokot district, Kenya*. Amount requested (Mini Grant): \$5,000; awarded \$5,000. Funding agency: Izumi Foundation (Boston). Period: 11/01/2015–2/29/2016.
12. Co-Investigator. Project Title: *Developing research capacity in Cameroon on cervical cancer, an AIDS defining malignancy*. Amount requested: \$50,000. UMassMED [LOI selected for full proposal January 14, 2014; full proposal submitted February 14, 2014; awarded \$35,000 March 18, 2014]. Period: June 2014-Sep 2015. (Principal Investigator: Ogembo JG, UMassMED)
13. Co-Investigator. Project Title: *The Impact of Social Health Insurance on HIV Treatment and Prevention in western Kenya: An Econometric Analysis of the AMPATH Cohort*. Amount requested: \$40,000; awarded \$40,000. Funding agency: Lifespan/Tufts/Brown Center for AIDS Research (NIH/CFAR) Developmental Award. Support period: 9/01/2013 to 8/31/2015. (Principal Investigator: Galarraga O, Brown)

14. Co-Investigator. Project Title: *The Impact of Reproductive Health and Insurance on Economic Outcomes for HIV+ Women in Kenya*. Amount requested: \$40,000; awarded \$40,000. Funding agency: Hewlett Foundation/IIIE Dissertation Fellowship, Institute of International Education. Submitted March 8, 2013. Support period: 09/01/2013-08/31/2015. Principal Applicant: Were LPO [Ph.D. student at Brown University; primary supervisor: Galarraga O, Brown).
15. Co-Investigator. Project Title: *Understanding the barriers and facilitators to retention of HIV positive women along the prevention of mother to child transmission of HIV (PMTCT) continuum in Kenya*. Amount requested: \$20,000; awarded \$20,000. Funding agency: American Association of University Women (AAUW) International Fellowship. Submitted December, 2013. Support period: 07/01/2014-06/30/2015. Principal Applicant: Caroline Karutu [DrPH candidate at Boston University; primary supervisor: Monica A. Onyango).
16. Co-Principal Investigator. Project Title: *Changing Patterns of Disease Burden in sub-Saharan Africa: Building Research and Diagnostic Capacity for Non-Communicable and Infectious Disease Control through District Health Empowerment (BRIDGE) [Ghana, Kenya, Tanzania]*. Preparatory amount awarded €62,000. Funding agency: German Ministry of Education and Research (Germany). Support period: Nov. 2013 – 9/30/2014. (Multi-country Principal Investigators, Coordinator: Owusu-Dabo E, Kumasi Centre for Collaborative Research, Kumasi Ghana)
17. Co-Principal Investigator. Project title: *Optimizing the Response of Prevention: HIV Efficiency in Africa Project (ORPHEA) – Kenya*. Amount requested/awarded: \$337,523 (\$5.2 million for the whole project covering Kenya, Rwanda, South Africa, Zambia and Nigeria). Funding agency: Bill and Melinda Gates Foundation [INSP/CISIDAT]. Period: 09/01/2012 – 08/31/2013. (PI: Bautista-Arredondo S, National Institute of Public Health (INSP), Mexico)
18. Co-Principal Investigator. Project title: *Evaluating the community led decentralized model for birth registration project in Kwale, Kenya*. Amount requested/awarded: US\$38,000. Funding agency: Nokia Foundation / Plan International (Kenya and Finland). Period: 9/11/2011-4/30/2012. (Principal Investigator: Ogembo JG, Harvard)
19. Co-Investigator. Project title: *Review of the Literature on Cost Effectiveness Studies*. Amount requested/awarded: \$35,000. Funding agency: UNAIDS. Support period: 01/16/2008 – 01/15/2009. (Principal Investigator: Galarraga O, Brown).
20. Principal Investigator. Project title: *Human Rights-Based Approach to Disability and Health in Development Cooperation: Perspectives from the South*. Amount requested/awarded: \$20,000. Funding agency: Tokyo Foundation (2008-617 JIP-01). Support period: 04/30/2008 – 04/30/2009.
21. Principal Investigator. Project title: *Health and Disability in International Development Policy*. Amount requested/awarded: \$20,000. Funding agency: Tokyo Foundation (2006-616 JIP-01). Support period: 04/30/2006 – 04/30/2007.

INTERNAL

Ongoing

1. Co-PI. Project title: *Understanding Cervical Cancer Screening Beliefs and Practices of Black Immigrant Women*. Tier-1. July 1, 2021 – September 30, 2022 (PI: Gyan, Northeastern)

Funded & Completed

1. Principal Investigator. Project title: *Neglected Tropical Diseases in Kenya: a study into the causes, diagnosis, and control of Schistosomiasis, Leishmaniasis and Echinococcosis*. Amount requested/awarded: \$50,000. Funding agency: Northeastern University (Provost's Tier 1 Seed Grant). Support period: 7/01/2011 – 6/30/2012.
2. Principal Investigator. Project title: *Neglected Tropical Diseases in Kenya: a study into the causes, diagnosis, and control of Schistosomiasis, Leishmaniasis and Echinococcosis. Integrated Study of Leishmaniasis in East Pokot District, Baringo County*. Amount requested/awarded: \$50,000. Funding agency: Northeastern University (Provost's Tier 1 Seed Grant). Support period: 7/01/2012 – 6/30/2013.

3. Co-Principal Investigator. Project title: *Harnessing interdisciplinary perspectives to inform effective health policy and law in HIV/AIDS response*. Amount requested/awarded: \$12,700. Funding agency: Northeastern University Program on Health Policy & Law (Interdisciplinary Seed Grant). Support period: 4/01/2012 – 3/30/2013. (Principal Investigator: Leo Beletsky, Northeastern)

Not Funded

1. Co-PI. Project title: *Strategic Effects of Multichannel COVID-19 Communications on Global Market Uncertainty, Public Health, and Political Economy*. Mikhail Oet, Xiaomu Zhou, Fiona Creed, Francesca Grippa, Brady Post, Tuomas Takko, Richard Wamai and John Wihbee. CJ2021 submission 55. Northeastern. Submitted January 22, 2021
2. Co-PI. Project title: *Effectiveness of Community-based Identification and Linkage of Women with Gestational Diabetes to Care: A Healthy Beginning Initiative*. Amount requested: \$49,965.00. (PI: Olawepo, Northeastern)
3. Principal Investigator. Project title: *Global Public Health: Policy and Implementation in the 21st Century*. Research Vision 2025. Submitted Nov. 15, 2016
4. Co-Principal Investigator. Project title: *The Northeastern University Integrated Institute for Global Health (NEU-IIGH): Establishing a Global Health presence by linking and expanding established strengths in drug discovery, diagnostics, policy, and public health at Northeastern University*. Funding request [Provost's Tier 3]: \$150,000. Submitted: September 2012; re-submitted February 2014. (Principal Investigator: Pollastri M, Northeastern)
5. Principal Investigator. Project title: *Improving health outcomes in African immigrant communities in Massachusetts through community engagement*. Funding request [Provost's Tier 1]: \$50,000. Support period: 7/01/2011 – 6/30/2012.
6. Co-Investigator. Project title: *When the Smoke Clears: Implementing Mayor Menino's Vision of Reducing Youth Violence and Joblessness among Boston's Most Vulnerable Youth Through a Comprehensive Program Aimed at Promoting Positive Developmental Outcomes*. Funding request [Provost's Tier 1]: \$50,000. Support period: 7/01/2011 – 6/30/2012. (Principal Investigator: Barboza G, Northeastern)

Corporate agreement

PI. APPILI THERAPEUTICS INC. Halifax, Nova Scotia, Canada. Non-Disclosure Agreement between the parties for evaluation and discussion of a research project on ATI-1801 Topical Antiparasitic for Cutaneous Leishmaniasis. August 4, 2021.

<i>Global Basics: Global Corporate and Social Responsibility - GST 6102</i>	Winter 2010, 21
<i>Basic Field Research Methods - GST 6109</i>	Fall 2009, 21
<i>Global Basics: Global Corporate and Social Responsibility - GST 3102</i>	Winter 2009, 28; Spring 2009, 15; Spring 2008, 5; Winter 2008, 26

Undergraduate

Course Title/Number	Term/Year/ # of Students
<i>Politics of Health in International Development - POL 2100</i>	Fall 2009, 6
<i>Africa Since 1885 – HIST 4611</i>	Spring 2009, 7
<i>Politics of Health in International Development – POL 4307</i>	Fall 2008, 8; Fall 2007, 10

Other Institutions (domestic and foreign teaching)

Harvard University: *African Studies*; Department of African and African American Studies (fall, 2006-2009)

Boston University: *African Studies*; African Studies Center; Boston (fall 2006);

Roxbury Community College: *Sociology*; Boston (spring, summer, fall, 2007);

Oxford University UK: *Sociology of Health and Illness*; Department of Sociology tutorial (fall, 2005)

University of Jyväskylä Finland: *Program and Project Management in the Field*, Master's Program in Development and International Cooperation, (spring, 2005)

University of Helsinki Finland: *Introduction to Social Policy*, Department of Social Policy (fall, 2004); *The Role of NGOs in the Changing Welfare State*, Department of Social Policy, (Fall, 2002-2004); *Civil Society and Development in Practice: Visions and Experiences from the South*, Institute of Development Studies (spring 2004); *Field Research Methodologies*, Institute of Development Studies (fall, 2002)

Johns Hopkins University: *International Political Science for Public Health Practitioners*; the Bloomberg School of Public Health (spring, 2002).

MENTORSHIP & SUPERVISION OF STUDENTS

Northeastern Internal Undergraduate students

Capstone supervision:

- 2022: **Catherine Wenger**. Project title: *Assessment of Kenya's government involvement in addressing neglected tropical diseases towards SDG indicator 3.3.5* (spring Honors Project, INTL 4970)
- 2020: **Austin Kim**. Capstone project title: *Treatment outcomes of text messaging as an adjunct to CBT to reduce alcohol use in HIV-infected patients in western Kenya* (spring)
- 2018: **Grace Grifferty**. Project title: *Strengthening Visceral Leishmaniasis Data Systems in Kenya: ensuring high-quality data for program decision-making at the country, regional and global levels* (spring)
- 2017: **Laura Baker**. Project title: *Sandfly Occurrence, Distribution and Diversity in Leishmania Endemic Areas in Kenya* (presented at RISE, 2017) (spring, HSCI4730 – Capstone)
- 2016: **Rodah Wang'odu**. Capstone project title: *Evaluation of the uptake of Zuri Health pilot project, a subsidized insurance product in western Kenya* (spring Pharmacy Capstone, PHMD 4600).
- 2015: Angelina Sassi. Project title: *Demonstrating the efficacy of peer-based community support services for pregnant mothers living with HIV in Angola*. (spring)
- 2013: Pritika Patel. Project title: *Universal Prenatal HIV Screening of Pregnant Women in the United States: One Test, Two Lives*.
- 2012:
1. Megan Kassick. Project title: *Child Marriage and its Consequences for HIV and Sexually Transmitted Infection Rates in Rajasthan, India*.
 2. Nadia Alshammariah. Project title: *The Riyadh Diabetes Study*.

Directed/Independent study:

1. 2022 (spring), HSCI 499. Katherine O'Brien, project title: *Scoping review of the leishmaniasis in Kenya*; Samantha Yap, project title: *Analysis of the Lwala Household Survey 2021*.
2. 2021 (fall), AFRS 4992. Sarra El Hamzaoui, project title: *Decolonizing global health*; (spring), AFRS 4991. Sarah Wehl, project title: *Supporting leishmaniasis projects in Kenya*.
3. 2020 (spring), AFRS 4992. Jorja Kahn, project title: *Vulnerabilities to and the Socioeconomic and Psychosocial Impacts of the Leishmaniasis: A Review* [paper published, 2021]
4. 2018 (fall), AFRS 4992. Ryan Fredette, project title: *Health systems strengthening for leishmaniasis*; (spring) AFAM 4991. Anthony Collins, project title: *Examining and comparing responses to Patrice Lumumba, Fred Hampton, and Black Lives Matter by the United States government*;
5. 2017 (fall), AFRS 4992. Mariamawit Louseged, project title: *A Case Study on the Influence of Improvement Science on Maternal Health in Ethiopia*;
6. 2017 (summer), AFRS 4992. Savannah Stewart, project title: *Barriers to the Implementation of a National HPV Vaccination Program in Kenya*.
7. 2017 (spring), AFRS 4992: Erin Nfonoyim, project title: *Protecting the health of the female population in Swaziland by reducing stigma in the healthcare setting and introducing comprehensive sexual education programs in secondary schools*; Matthew Zinck, project title: *Assessing the Quality of HIV Prevention Interventions in Kenya: Results from the ORPHEA Study* (RISE 2017)
8. 2016 (summer), PT 4992. Abigail Oyeniran, project title: *A Case Study on Health Diplomacy in Nigeria*.
9. 2015 (fall), AFRS 4993. Aishwarya Bhadouria. Project title. *Comparison of effectiveness of CT techniques in neodeath and cervical spine diagnosis – Public health importance*.
10. 2015 (spring), AFRS 4992. Garret Bollinger. Project title: *HIV Services Integration in Sub-Saharan Africa*.
11. 2014 (fall), AFRS 4993. Gaciru Matathia. Project title: *Strategies to address Multidrug Resistant Tuberculosis (MDR TB) in Peru and lessons for other countries*.
12. 2014 (fall), AFRS 4993. Natasha De Las Heras. Project title: *US AIDS Policy in South Africa: An analysis of the PEPFAR I Initiative*.

13. 2012 (spring), AFRS 4996. Reem Sanadiki. Project title: *An Overview of National Health Accounts in Africa: Liberia, Rwanda, Tanzania, Senegal, Namibia.*
14. 2011 (summer), AFRS 4993. Samuel L. Aronson. Project title: *Ethnic Somali Refugees in East Africa* (research done on the ground and on campus in Ethiopia and Kenya).
15. 2011 (spring), SWHL 4992. Althea R. Charles.
16. 2009 (fall), AFAM 4992. Brianna Ensslin. Project title: *Public Health and Sanitation in India: A Case Study of Sulabh Social Service Organization.*

Undergraduate research grants awarded for co-ops and other research

- 2021: Catherine Wenger & Sarah Weihl.** Project title: *Behavioral and Health Systems Impacts on Health and Population Outcomes for Neglected Diseases in Kenya.* Location: Kenya. Dates: Summer 2021-Present. Grants: PEAK Summit Award, amount of award \$3,000; Presidential Global Scholarship, amount \$2000 (each); Undergraduate Research Initiative, amount \$3,000; Abu Hijleh Kenya Experiential Education Fund, amount \$6,000.
- 2020: Shreya Shetty & Holly Chadwick.** Project title: *A Retrospective Analysis of Common Medical Diagnoses among Indigenous and Nonindigenous Pediatric Panamanian Patients.* Honors Propel Grant, amount of award \$1,000 [PEAK Award]
- 2019: Sukanya Mittal.** Project title: *Influencing community-based point of care for neglected tropical diseases: the case of leishmaniasis in East Pokot, Kenya.* Advanced Research/Creative Endeavor Award, amount of award \$1,855; **Hugh Shirley.** Project title: *A Needs-Based Assessment of Medical Facilities in Rural Uganda in Partnership with MGH.* Summer Scholars Independent Research Fellowships (SSIRF), amount of award \$5,000.
- 2018: Kritika Singh.** Project title: *Influencing community-based point of care for neglected tropical diseases: the case of leishmaniasis in East Pokot, Kenya.* Advanced Research/Creative Endeavor Award, amount of award \$3,000.
- 2017: Anthony Formicola.** Co-op (fall 2017), Unite for Sight, Ghana. Project title: *Patient Perceptions of Clinical Care and Alternative Treatment in Ghana.* Presidential Global Scholarship, amount of award \$6,000; **Christina Potter.** Co-op project in typhoid fever at KCCR, Kumasi, Ghana. Presidential Global Scholarship, amount \$6000; Co-op (fall 2017); **Raeann Dalton.** KCCR, Kumasi, Ghana. Project title: *Applying interdisciplinary techniques to study malaria infection, schistosomiasis transmission, and their co-endemicity in Kumasi, Ghana.* Presidential Global Scholarship, amount \$6000; **Grace Grifferty.** Project title: *Influencing community-based point of care for neglected tropical diseases: the case of leishmaniasis in East Pokot, Kenya.* Advanced Research/Creative Endeavor Award, amount of award \$3,000; **Adrienne Orriols.** Project title: *Influencing community-based point of care for neglected tropical diseases: the case of leishmaniasis in East Pokot, Kenya.* Travel to Kenya field research site: Dec. 12-24. Output poster presented at RISE 2018.
- 2016: Alex R Vipond.** Project title: *Honors Interdisciplinary Thesis: Commercial Vermicomposting in Developing Countries.* University Honors Program, amount of award \$603; **Morgan Hines & Lynn Zhang.** Project title: *Shaping a Curriculum: A Global Exploration of Reproductive Health Education.* Scholars Independent Research Fellowships (SIRF), amount of award \$4980.
- 2015: Lucy Bingham.** Co-op project, title: *Neglected Diseases in Ghana.* Kumasi Center for Collaborative Research in Tropical Medicine (KCCR), Kumasi, Ghana (fall), award: Presidential Global Scholarship, amount \$6000; **Grace Lee.** Co-op project, title: *Neglected Diseases in Ghana.* KCCR, award: Presidential Global Scholarship, amount \$6000; **Sam Manning.** Co-op project in South Africa, award: Presidential Global Fellow, amount of award \$5000
- 2014: Grace Grifferty.** Project title: *Prevalence of leishmaniasis in East Pokot, Kenya: an epidemiological and community interactions survey.* Provost Undergraduate Research Award, amount \$300; **William Secor.** Co-op project: *Mosquito susceptibility to pesticides and comparison methods of detection for bovine tuberculosis.* Presidential Global Scholarship, amount \$2000 Location: KCCR, Kumasi, Ghana;

- David Obadina.** Co-op project: *Neglected Tropical Diseases: generating knowledge and communication strategies for control in Africa*, awards: Presidential Global Scholarship, amount \$2500, CSSH Undergraduate Research Initiative Grant, amount \$900. Location: KCCR, Kumasi, Ghana.;
- Kaitlyn Rank.** Project title: *Study on Antimalarial Drugs for Plasmodium falciparum in vivo*. Provost Undergraduate Research Award, amount \$1000. Location, Institute of Primate Research, Nairobi Kenya;
- Anna Lane.** Project title: *Alcohol Abuse: Assessing Alcohol Consumption and Interventions in Kenya*. CSSH Undergraduate Research Initiative Grant, amount \$1000.
- 2013: Sam Manning.** Co-op Project title: *Targeting Women's Unemployment in South Africa through Micro Enterprise: A Pilot Project on Blanket Production*. Provost Undergraduate Research Award, amount \$1000. Location: South Africa. Dates: Spring 2013; 2012/13
- 2011: Gwen Kidera.** Co-op Project title: *Determining the Leading Causes of Malnutrition in Meru, Kenya for the Development of Future Preventative Measures*. Provost Undergraduate Research Award, amount \$1000. Location: Kenya. Dates: Fall 2011; won 2nd place in the 2012 Northeastern Coolest Co-op [Video: <https://www.youtube.com/watch?v=KPdL-ul5zk>] Research presented at Tufts University Conference; abstract for poster presentation rated "one of the highest [in 2012]" scoring 67 out of 70, and recommended for oral presentation.
- 2010: Michael Behan.** Project title: *The role of technology in entrepreneurial development among young Kenyans*. Presidential Global Scholars Award and Provost Undergraduate Research Award, amount \$1000
- 2009: Natasha Mbabazi.** Project title: *Human Rights considerations in resource and program prioritization in donor health interventions in Ethiopia and Kenya, and Health Systems in Africa*. CSSH Faculty Undergraduate Research Initiative (FURI)

PhD Committee (Northeastern) (2020-2021)

Dissertation Committee member [with: Daniel Aldrich (chair), Mai'a Davis Cross, Emily Clough]: **Summer Marion**, PhD Candidate in Political Science, International Relations & Public Policy. Title: *Governance in Crisis: Philanthropy and the Politics of Global Outbreaks*

Master's students – Capstone supervision, Bouve MPH Program

1. **Adrianna Boulin.** Project title: *Men's Knowledge of Health Benefits Associated with Male Circumcision in Kenya*. 2015
2. **Rebecca Joachim.** Project title: *Healthcare Use, Access and Quality Perception: A Mixed Methods Study with Women and Female Healthcare Workers in Kenya and Haiti*. Completed: April 12, 2013
3. **Lindsay Donald.** Project title: *HPV The Role of Self-Esteem and Self-Efficacy in Adolescent Development: A Model for Behavior Change and Positive Decision Making*. Completed: April 25, 2012
4. **Alison Yoos.** Project title: *Neglected Tropical Diseases in Kenya*. Completed: August, 2011

Graduate students - Graduated Master's thesis supervision, CPS:

1. **Michelle L. Williams.** Title: *Corruption in Cambodia's Public Education and Health Sector: Challenges and Implications*. November 19, 2013
2. **Johanne Meleance.** Title: *Barriers to improving women's health in rural Ghana: Beliefs and knowledge of health among women and role of traditional medicine and practices in Zinido*. March 26, 2012
3. **Kate Everett.** *Algerian Women's Health and Human Rights: The Intersection of Culture and Government*. August 24, 2012
4. **Heesung Kim.** *Review the Application of Corporate Social Responsibility (CSR) in the Control of Type 2 Diabetes Mellitus in India*. May 15, 2012
5. **Kevin McDevitt.** Title: *Evaluating the Possibility of a Demographic Dividend in Kenya*. Completion date: August 17, 2011
6. **Stacey Perlman.** Title: *Aid Effectiveness in Humanitarian Relief: An Analysis of Coordination Efforts Between UN Agencies and International NGOs in Indonesia, Haiti and Pakistan*. Completion date: July 25, 2011

7. **Ross B. Appleton.** Title: *Prevention of Mother-to-Child Transmission (PMTCT) of HIV Programming in Nigeria: Challenges and Opportunities for Meeting the Universal Access Target.* Completion date: February 23, 2011
8. **Elizabeth Pimentel.** Title: *Analysis of the social determinants of the life outcomes of young people in war-torn areas of Colombia; of child soldiers and displaced youth.* August 12, 2010
9. **Laura Jolly.** Title: *Informal Housing in Kibera: How Upgraded Housing Can Be Successful.* Completion date: August 6, 2010
10. **Maryanne Mbiyu.** Title: *AIDS Orphans – Their Survival and Impacts on Families and Communities in Sub-Saharan Africa.* Completion date: April 6, 2010
11. **Cara Matthews.** Title: *Analysis of social and political determinants of the HIV/AIDS response to vulnerable young people in Colombia.* Completion date: March 15, 2010
12. **Lisa Solar.** Title: *Kenya: Improving Access and Quality of Healthcare Through Community-Based Strategy.* Completion date: February 22, 2010

Regular advising/mentoring

2020: Truman recommendation: **Kerry Eller.** Awardee for 2020.

2020: Rhodes Scholar: **Kritika Singh.** Awardee for 2020

2018: Truman recommendation: **Kritika Singh.** Awardee for 2019

2011: Torch Scholar Program: **Octave Ntambi.**

Recommendation letters (Med-school, MPH, PhD)

2021 (11 students); 2020 (9); 2019 (10); 2018 (5)

SUPERVISION / MENTORSHIP (EXTERNAL)

Doctoral Theses Committees (2013-2015)

1. **Carol Karutu,** PhD candidate in Doctor of Public Health Program, Boston University School of Public Health. Project title: *Understanding the barriers and facilitators to retention of HIV positive women along the prevention of mother to child transmission of HIV (PMTCT) continuum in Kenya.* Defense: August 25, 2015. Role: Member, Dissertation Committee. Current in 2022: Vice President of Programs, The END Fund.
2. **Lawrence Were,** PhD candidate in Health Services Research, Health Economics Track, Brown University School of Public Health. Project title: *Impact of Reproductive Health and Insurance on Economic Outcomes for HIV+ Women in Kenya.* Defense: August 28, 2015. Role: Member, Dissertation Committee. Current in 2022: Assistant Professor, Boston University.

Faculty Mentorship

1. **Melissa Schnure,** PhD candidate Infectious Disease Epidemiology, Johns Hopkins Bloomberg School of Public Health (2021-present)
2. **Bishnu B. Thapa,** PhD Candidate Health Services Research (Health Econ Track), Brown University School of Public Health (2021-present)
3. **Savannah Boerger,** MPH. Research Associate, Eisenberg Research Group, Department of Epidemiology, School of Public Health, University of Michigan – ASTMH Committee on Global Health (ACGH) Mentorship Initiative (2020-2021)
4. **Folahanmi Tomiwa Akinsolu,** PhD. Emory-Nigeria HIV Research Training program (D43 Fogarty HIV Research Training), project titled “Study of the acceptability, test characteristics of HPV self-sampling, and burden of HPV of Nigeria women living with HIV”; African Research Network for Neglected Tropical Diseases Small Grants Program: “Contextualized strategies to optimize the coverage of school-based mass drug administration for soil-transmitted helminths and schistosomiasis control programs in Nigeria” (2020-present)

3. **Gilberte (Gigi) Bastien**, PhD. Assistant Professor, Morehouse School of Medicine https://www.msm.edu/about_us/FacultyDirectory/Psychiatry/GilberteBastien/index.php (2019-2020).
4. **Zhihong Yu**, PhD candidate, School of Public Affairs Zhejiang University China. Harvard Kennedy School, ISTR's Mentoring Program as part of ISTR Pilot Mentoring Program. Working thesis title "*Government Funding and Resource Mobilization of Nonprofit Organizations in China: Regional Disparity and Mechanisms*" (mentor, 2017-2021)
5. **Brianna Osetinsky**, PhD candidate, Brown University. Project title: "Modeling to improve access to care for HIV and Non-Communicable Diseases in Kenya and South Africa" (mentor, 2017-2020); current in 2022: post-doc, Swiss Tropical and Public Health Institute
6. **Gretchen Stoddard**, DrPH candidate. Mentor: Harvard T.H. Chan School of Public Health (mentor, 2017-2019)
7. **Zhihong Yu**, PhD candidate, Zhejiang University China. Harvard Kennedy School, ISTR's Mentoring Program. Role: Mentor.
8. **Claire Chaumont**, DrPH candidate. Mentor: Harvard T.H. Chan School of Public Health.
9. **Harvard Society of Black Scientists and Engineers** (HSBSE) Mentoring Program. Student for 2020-2021 AY: Christian Malachy Porter [Vice President of the Harvard Black Premedical Society] (mentor, since 2015)

Faculty Reviewer (invited)

1. **Emmanuel Kwaku Nakua**, Newton, PhD. Kwame Nkrumah University of Science and Technology, Kumasi Ghana. Review for Associate Professorship position in the Department of Epidemiology and Biostatistics (completed November 17, 2020)
2. **Samuel K. Newton**, PhD. Kwame Nkrumah University of Science and Technology, Kumasi Ghana. Review for Associate Professorship position in the Department of Global and International Health (completed September 3, 2019)

PhD Thesis Reviewer (invited)

Peipei Chai, PhD candidate: University of Canberra. Thesis title "Health System Efficiency in China: A Comparative Analysis of Pre- and-Post 2009 Healthcare Reform" (completed December 22, 2019)

F: Services and Professional Development

NORTHEASTERN UNIVERSITY SERVICE:

Department of Cultures, Societies and Global Studies

Member, Tenure and Promotion Committee, 2020-2021
 Member, Director of Africana Studies Search Committee, 2020-2021 AY

Conference: Organizing, Service to Professional Societies and Invited talks:

1. 2022: Invited plenary speaker. "How can Africa Strengthen its Health Professions Research Through Collaboration." African Forum for Research and Education in Health (AFREhealth), 5th Annual Symposium on 2-4 August 2022 in Harare, Zimbabwe
2. 2022: Invited speaker. Africa Day 2022 Roundtable on "From Pandemics to Endemics : Year 3, Public Health, and COVID-19 in Africa". McCormack Graduate School of Policy and Global Studies, UMASS Boston; April 1
3. 2022: Moderato. Sustainability, Research + Innovation (SRI) Inkundla #1: Science-Policy Collaboration in Low and Middle Income Countries – Lessons from Africa. Recorded ahead of time for the SRI Congress in Pretoria, South Africa on 20-24 June
4. 2021: Organizer. Consortium of Universities for Global Health. Global Operations Committee: Conference Breakout Session, "Global Health Projects and Partnerships: Strategies for Adjusting to the Operational Realities of the Pandemic" [Panelists: *Dr. Pedro Mas Bermejo, Cuba*; *Dr. Tran Diep Tuan, Vietnam*; *Dr. Adrian Gardner, AMPATH-Kenya & IUP*; *Prof. Nelson Sewankambo, Uganda*]
5. 2021: Organizer. Global webinar. "Roadmap to 2030: Vision and Implementation". First webinar of the New England NTDs Consortium with 3 panelists from WHO Geneva, WHO-AFRO and The END Fund [uploaded on YouTube: <https://www.youtube.com/watch?v=acthJeX3ZMc>. March 11, 2021]
6. 2021: Symposium: Northeastern Global Health Innovation Summit, 2021, "Workshop on NTDs: *Ending the Neglect?*"

Consortium of Universities for Global Health (CUGH):

Member, [Consortium of Universities for Global Health](#) (CUGH): Global Health Operations Committee (GHOC), September 1, 2018 through August 31, 2021; co-chair since March 2021

Member, CUGH Working Group on Decolonizing Global Health, May 2021

Member, 2020: CUGH Global Operations Committee Applications: to select 14 members from a pool of 27 applicants

Member, CUGH Global Health Program Advisory Service (GHPAS) Subcommittee, 2019-

Panelist, CUGH Global Health Workforce Panel: to select and develop the next talent of Global Health Experts through the PHI/CDC Global Health Fellowship Program; CUGH, spring 2018; reviewed 27 candidates

Peer Review of Conference Abstracts and Articles

1. 11th International AIDS Society Conference on HIV Science (IAS2021). Berlin, Germany – virtual (July 18-21, 2021); reviewed 19 abstracts
2. 22nd International AIDS Conference (AIDS 2020), International AIDS Society. Virtual
3. (July 6-10, 2020); reviewed 50 abstracts.
4. CDC IMPACT-Kenya Symposium: “Pandemic or not: the Need for Community Engagement”. Assessment of Fellows’ presentations for “Design Thinking” and “Data to Policy” projects. Invited by former student Alison Yoos (summer 2020)
5. 10th International AIDS Society Conference on HIV Science (IAS2019). Mexico City, Mexico (July 21-24, 2019);
6. 22nd International AIDS Conference (AIDS 2018), International AIDS Society. Amsterdam, the Netherlands (July 23-27, 2018); reviewed 51 abstracts.
7. Consortium of Universities for Global Health (CUGH) – 6th Annual CUGH Global Health Conference: *Mobilizing Research for Global Health*. Boston, MA, USA (March 26-28, 2018); reviewed 3 nominations for Velji Awards for Global Health Excellence
8. 9th IAS Conference on HIV Science (IAS 2017). Paris, France. (July 23-26, 2017); reviewed 25 abstracts
9. International Society for Third Sector Research (ISTR) Africa Network (ISTRAN) Conference, June 20 - 23, 2017, Accra, Ghana; reviewed 18 abstracts
10. 8th Annual CUGH Global Health Conference (April 7-9, 2017). Washington, DC, USA; reviewed 15 abstracts
11. International AIDS Society – AIDS 2016, 21st International AIDS Conference. Durban, South Africa (July 17-22, 2016); reviewed 51 abstracts.
12. International AIDS Society – IAS 2015, 8th IAS Conference on HIV Pathogenesis, Treatment and Prevention. Vancouver, Canada (July 19-22, 2015); reviewed 18 abstracts.
13. Consortium of Universities for Global Health (CUGH) – 6th Annual CUGH Global Health Conference: *Mobilizing Research for Global Health*. Boston, MA, USA (March 26-28, 2015); reviewed 3 nominations for Velji Awards for Global Health Excellence
14. Consortium of Universities for Global Health (CUGH) – 6th Annual CUGH Global Health Conference: *Mobilizing Research for Global Health*. Boston, MA, USA (March 26-28, 2014); reviewed 25 abstracts
15. International AIDS Society – AIDS 2014, 20th International AIDS Conference: *Stepping up the Pace*. Melbourne, **Australia** (July 20-25, 2014); one of 1,400 abstract reviewers, reviewing 63 abstracts
16. **Organizer:** International Society for Third Sector Research (ISTR) Africa Network – 4th Conference: *Faith, Civil Society and Development in Africa*. Nairobi, **Kenya** (July 11-13, 2014), reviewing 35 abstracts
17. International AIDS Society – IAS 2013, “Conference on HIV Pathogenesis, Treatment and Prevention”, Kuala Lumpur, Malaysia (June 30 – July 3, 2013); one of 1,000 abstract reviewers, reviewing 16 abstracts.
