

Summer Staff Opportunities at Teach For America-Massachusetts

We aim to provide our incoming teachers with an intensive, seven-week pre-service training experience that will prepare and inspire them to be excellent teachers and lifelong advocates for Massachusetts students. In pursuit of this goal, we will work in close partnership with [Lawrence Public Schools](#) to deliver a rigorous and enriching summer school program to more than 1000 Lawrence children.

To reach this vision, we will build a summer staff of talented and diverse leaders with whom we will work relentlessly and passionately. We are committed to empowering, coaching, and developing our summer staffers, not only so that we can reach our vision but also so that we can fuel their fire and accelerate their growth as local leaders of the movement to end educational inequity. If you are interested in learning more about opportunities to join our summer staff, please visit our hiring hub at <http://institutejobs.teachforamerica.org/> and consider applying to a position (in the location menu, select "Regional Greater Massachusetts Institute" to check out the available positions).

This year we will be using a rolling application process. Once your application is submitted, you will hear from us within the week letting you know our decision and your potential next steps. We encourage you to apply early as spots may fill up before the end of the application window.

Applications officially close Monday, December 7, 2015 for all roles, except the Operations Coordinator role, with a deadline of Monday, January 4, 2016.

We encourage you to contact us at MassInstitute@teachforamerica.org if you have any questions, or if you're eager to volunteer your time and talent. We welcome and appreciate your support and interest in our work!
