How will you #BeYOUatNU?

“I don’t want you to fit into a mold that I create. I want you to create your own journey.”
Joseph E. Aoun, President, Northeastern University

No two students are the same; their paths shouldn’t be either. Each journey is unique—just like you—and we look forward to supporting you on your Northeastern adventure.

Orientation is just the beginning. As you prepare to forge this new path, think about where you’ve come from, where you’re headed, and how we can help you get there.

Wear the T-shirt to the President’s Convocation on September 6, complete with the word that best describes how you will #BeYOUatNU in the years to come.
Changing Your Major or College

• If you’re changing to another major in CSSH (e.g. Political Science to International Affairs), please come and sign the sheet at the front of the room.

• If you’re considering changing your major to a program in Business, Engineering, Bouvé, or CCIS, please come speak with an advisor now.
Next Steps

• From here, you’re going to your academic departments; after that, you’ll go to the Center for Financial Independence breakout in Curry Student Center, Ballroom.

We’ll see you tomorrow for the academic advising portion of orientation!
